Imagine UBC and the University’s first year transition programs serve as new students’ formal welcome to the University, an invocation to the learning community that is built on equity and mutual respect. Imagine UBC helps students begin to find a community at UBC, feel supported from their first day on campus and throughout their first year, and provides a beginning to a learning experience that will challenge, stimulate and prepare them to achieve their goals and meet the challenges of our local and global communities.

Imagine UBC is coordinated through the Centre for Student Involvement and Careers within the Vice President, Students’ portfolio working in collaboration with staff, faculty and students from across the University in the development and implementation of the program.

The Senior Orientation Leader position plays an important role in the recruitment, development and oversight of student leaders involved in Imagine UBC. The Senior Orientation Leader provides both direct and indirect peer support to a cohort of first year students.
