

## IMAGINE UBC 2021 ORIENTATION LEADER FACULTY OF PHARMACEUTICAL SCIENCES

### Position Description

Imagine UBC and the University's first year transition programs serve as new students' formal welcome to the University, an invocation to the learning community they have joined. Imagine UBC helps students begin to find and build a community at UBC, feel supported from their first day on campus and through their first year, and provides a beginning to a learning experience that will challenge, stimulate and prepare them to achieve their goals, use their strengths and meet the challenges of our local and global communities.

Imagine UBC is coordinated through the Centre for Student Involvement and Careers within the Vice President, Students' portfolio working in collaboration with staff, faculty and students from across the University in the development and implementation of the program.

The Imagine UBC Orientation Leader position plays a crucial role in the delivery of UBC Orientations, through communicating with a cohort of new-to-UBC students in the month of August, and by providing direct peer support to this group on Imagine UBC (September 7th, 2021).

If the University is open for in-person classes for Winter Session, we will be in a unique situation, with an additional cohort of UBC students that will be new to the UBC campus (2020W first year and transfer students). To welcome these students, UBC will be hosting a Campus Welcome event on Monday, September 6<sup>th</sup>, 2021. Imagine Orientation Leaders will have a role at this in-person event, such as leading a small group through activities. More specific details will come in the late Spring or Summer. If you have questions or concerns about this component of the Imagine Orientation Leader role, please *still apply for this role* and include any concerns in your application form.

Due to the impacts of COVID-19, the details and method of delivery of Imagine for 2021 will be informed by University-wide decisions regarding in-person and/or virtual learning for Fall 2021. Based on the university's announcement around increased in-person activity in the Fall, please prepare for the possibility of this role to be in-person on September 6<sup>th</sup> and 7<sup>th</sup>. Program and role functions are subject to change and will be confirmed in the Spring or Summer of 2021. COVID-19 Safety plans and procedures will be established and shared with you closer to the event dates to ensure accuracy of information.

Please note that current (2020W) UBC first year students are encouraged to apply for the Imagine Orientation Leader role, even if they have not yet been to campus. Training and support will be provided in order to ensure that leaders are familiar with campus.

If you have questions or concerns about what this might look like, please contact us.

This volunteer posting is for ~10 Faculty of Pharmaceutical Sciences Orientation Leaders

## Primary Functions

As an Orientation Leader, you should expect to:

- Contribute to an environment at UBC that is dedicated to excellence, equity, and mutual respect.
- Build and support an engaged community of new-to-UBC students

## Commitment to Equity and Inclusion

- Equity and diversity are essential to the academic community at UBC, and are essential to Orientations programming that will support all incoming students. A diverse leader community can help contribute to effective community building and to the empowerment of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit or Indigenous person.

- We expect **all applicants** to be committed to equity and inclusion, and leaders will be provided with ongoing training related to these topics. We expect all applicants to show respect for all people and their differences, demonstrate fairness and equity, work to understand the perspectives of others, promote cooperation and collaboration, bring out the best in others, demonstrate empathy and use respectful language.
