

## Go Global International Learning Programs

### Plan for success: complete Part 1 and Part 2 of the Go Global Study Plan to:

- See how a Go Global experience fits into your UBC degree
- Familiarize yourself with program offerings at your top three partner university choices
- Identify opportunities to fulfill elective, program and degree requirements while on exchange

#### Not sure where to start?

- Talk to an academic advisor and review your Degree Navigator to learn more about your degree requirements

It's always a good to have options! Identify 6-10 courses you could take at this partner university. Not sure where to start?

- Talk to a Go Global Advisor and explore Go Global [Partner Pages](#) to learn about partner universities
- Course catalogues for your term abroad might not be published yet; choose your courses from the most recent listings
- Check out the [Transfer Credit Database](#) to see what courses other UBC students have transferred back from exchange
- Look for courses that are open to exchange students
- Remember to check the language of instruction at each partner university
