Family name(s): ____________________________

Given name: ________________________________

Tec student number: __________________________

UBC student number: __________________________

Tec email address: ____________________________

Personal email address: ________________________

Term 2 (Jan-Apr 2022) Split year (Jan-Apr 2022 and Sept-Dec 2022) (circle one)

It is your responsibility to ensure that your university exchange office sends us the following documents before September 30, 2021. This page should be the cover page of your complete application package. Please put a checkmark beside the items you include in your application package. We will not process applications with missing supporting documents.

- Current official academic transcript(s) (official translation required if the original transcript(s) is not in English)
- Test of English proficiency (TOEFL score or equivalent)
- Scanned copy of photo page of passport
- Proposed Course List (for admission purposes ONLY)

Other additional documentation if you apply to any of the following faculties/programs:

- **Music**: A DVD or VHS audition tape (if you plan to take performance classes)
- **Visual Arts**: A portfolio (CD or slides) of your work in the areas you would like to take courses (e.g., sculpture, painting)
- **Creative Writing**: Most 200-level courses are available. 400-level courses are not open to Study Abroad students. If you are requesting 300-level courses, please submit a syllabus/course outline of the pre-reqs course you have taken at your home university and a short (10 pages at the very most) writing sample, in English, ideally in the genre you want to take.
