UBC Sauder Senior Orientation Leader

Imagine UBC and The Spark serve as a formal welcome to the University and the UBC Sauder School of Business for new students, an invocation to the learning community that is built on equity and mutual respect. These orientation programs help students begin to find a community at UBC, feel supported from their first day on campus and throughout their first year, and provides a beginning to a learning experience that will challenge, stimulate, and prepare them to achieve their goals and meet the challenges of our local and global communities.

Imagine UBC is coordinated through the Centre for Student Involvement and Careers within the Vice President, Students’ portfolio working in collaboration with staff, faculty, and students from across the University in the development and implementation of the program. The Spark is coordinated by a student executive team within the faculty, with guidance from the UBC Sauder Undergraduate Office.

The Senior Orientation Leader position plays an important role in the recruitment, development and oversight of student leaders involved in Imagine UBC and The Spark. The Senior Orientation Leader provides both direct and indirect peer support to a cohort of first year students.

Due to the ongoing impacts of the Covid-19 pandemic, the details of this role may change during the planning processes for Imagine UBC and The Spark. We anticipate that this role will take place virtually in the Spring of 2021, but there may be both in-person and virtual components in the Summer and Fall of 2021, depending on provincial safety measures and the university’s approach to learning in 2021. If you have questions about what this might look like, please contact us.
