Connect to Community (C2C) Grant
Application Package

About the Grant
The Connect to Community Grant (C2C) invites students into community work. Supported by this grant, students can explore a curiosity or idea that supports a positive social and/or environmental change in their local community in collaboration with a community partner.

**Eligible Community partners include** nonprofits, registered charities, societies, cooperatives, First Nations Communities, schools, municipal, federal, or provincial government offices.

**Applicants can request up to $1,500 for their project.** Approximately ten C2C Grant projects are funded each year. The goal of this grant is to encourage students to think creatively, constructively, and to push boundaries without worrying about everything going perfectly. We believe that the best learning often comes from simply trying.

**Application Deadline:** February 4th, 2024 @ 11:59 PDT
- March 2024: Winners announced
- April 2024: Projects commence

Once funded, projects are to be completed within approximately 4 - 6 months.
