

# SEXUALITY EDUCATION IN BRITISH COLUMBIA SCHOOL SYSTEMS

A SYSTEMATIC ANALYSIS OF THE DELIVERY OF SEXUALITY  
EDUCATION IN BRITISH COLUMBIA SCHOOLS

Raiyana Alibhai, Jenna Ramji, Gabriela Villamil

A world map with a light gray background. Three white arrows point to specific countries: one to Canada, one to the United States, and one to The Netherlands. The labels for these countries are placed near the arrows.

Canada

United States

The Netherlands

# Adolescents in British Columbia (BC)...

57%

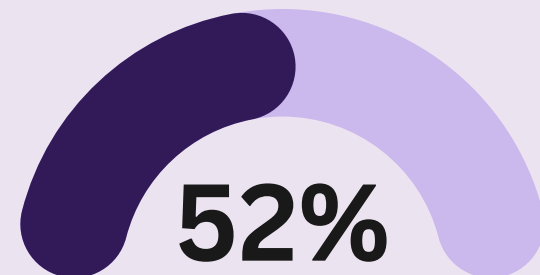

do not know where to test for STIs

(McCreary Centre Society, 2015)

47% do not know where to find birth control

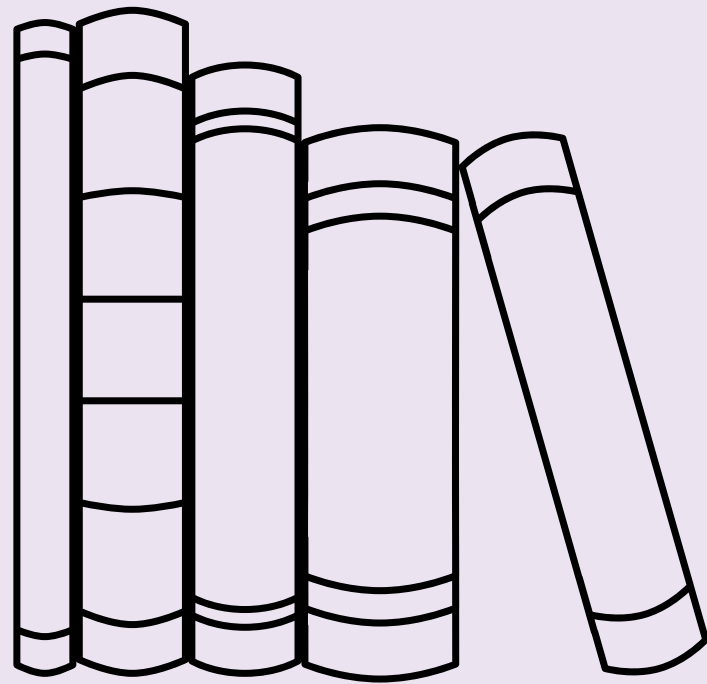

(McCreary Centre Society, 2015)

do not know where to get emergency contraception

(McCreary Centre Society, 2015)

# Research Methods

## Literature Review

- Scholarly journals
- Media articles
- BC curriculum documents

## Online Survey

101 participants

## Interviews

2 BC sexual health educators

# Comprehensive Sexuality Education (CSE)

Teaching & learning about aspects of sexual health

Rights

# Impacts of CSE delivery

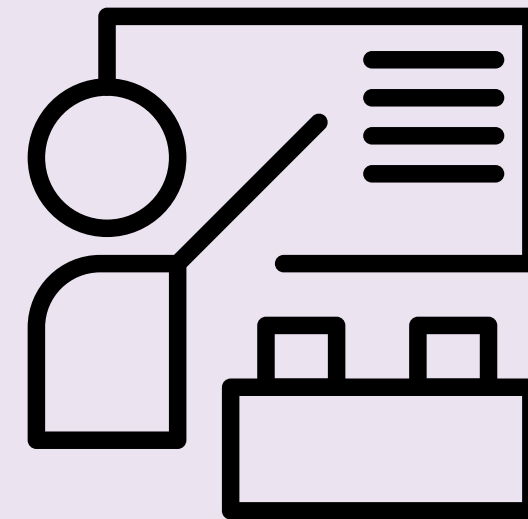

# Current Situation

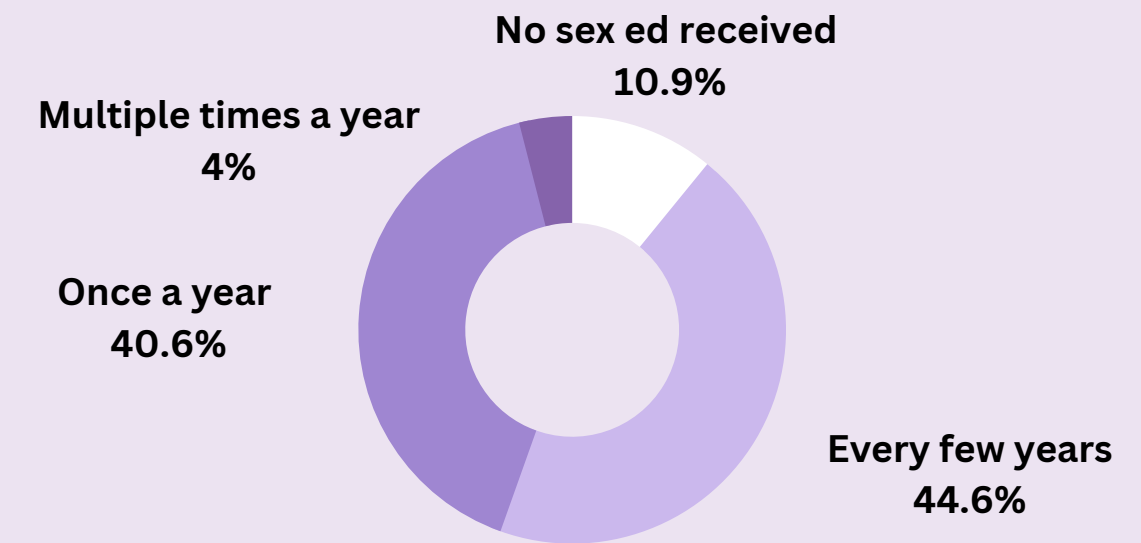

CSE curriculum  
is under  
provincial  
jurisdiction

CSE is mandatory  
in BC schools until  
grade 10

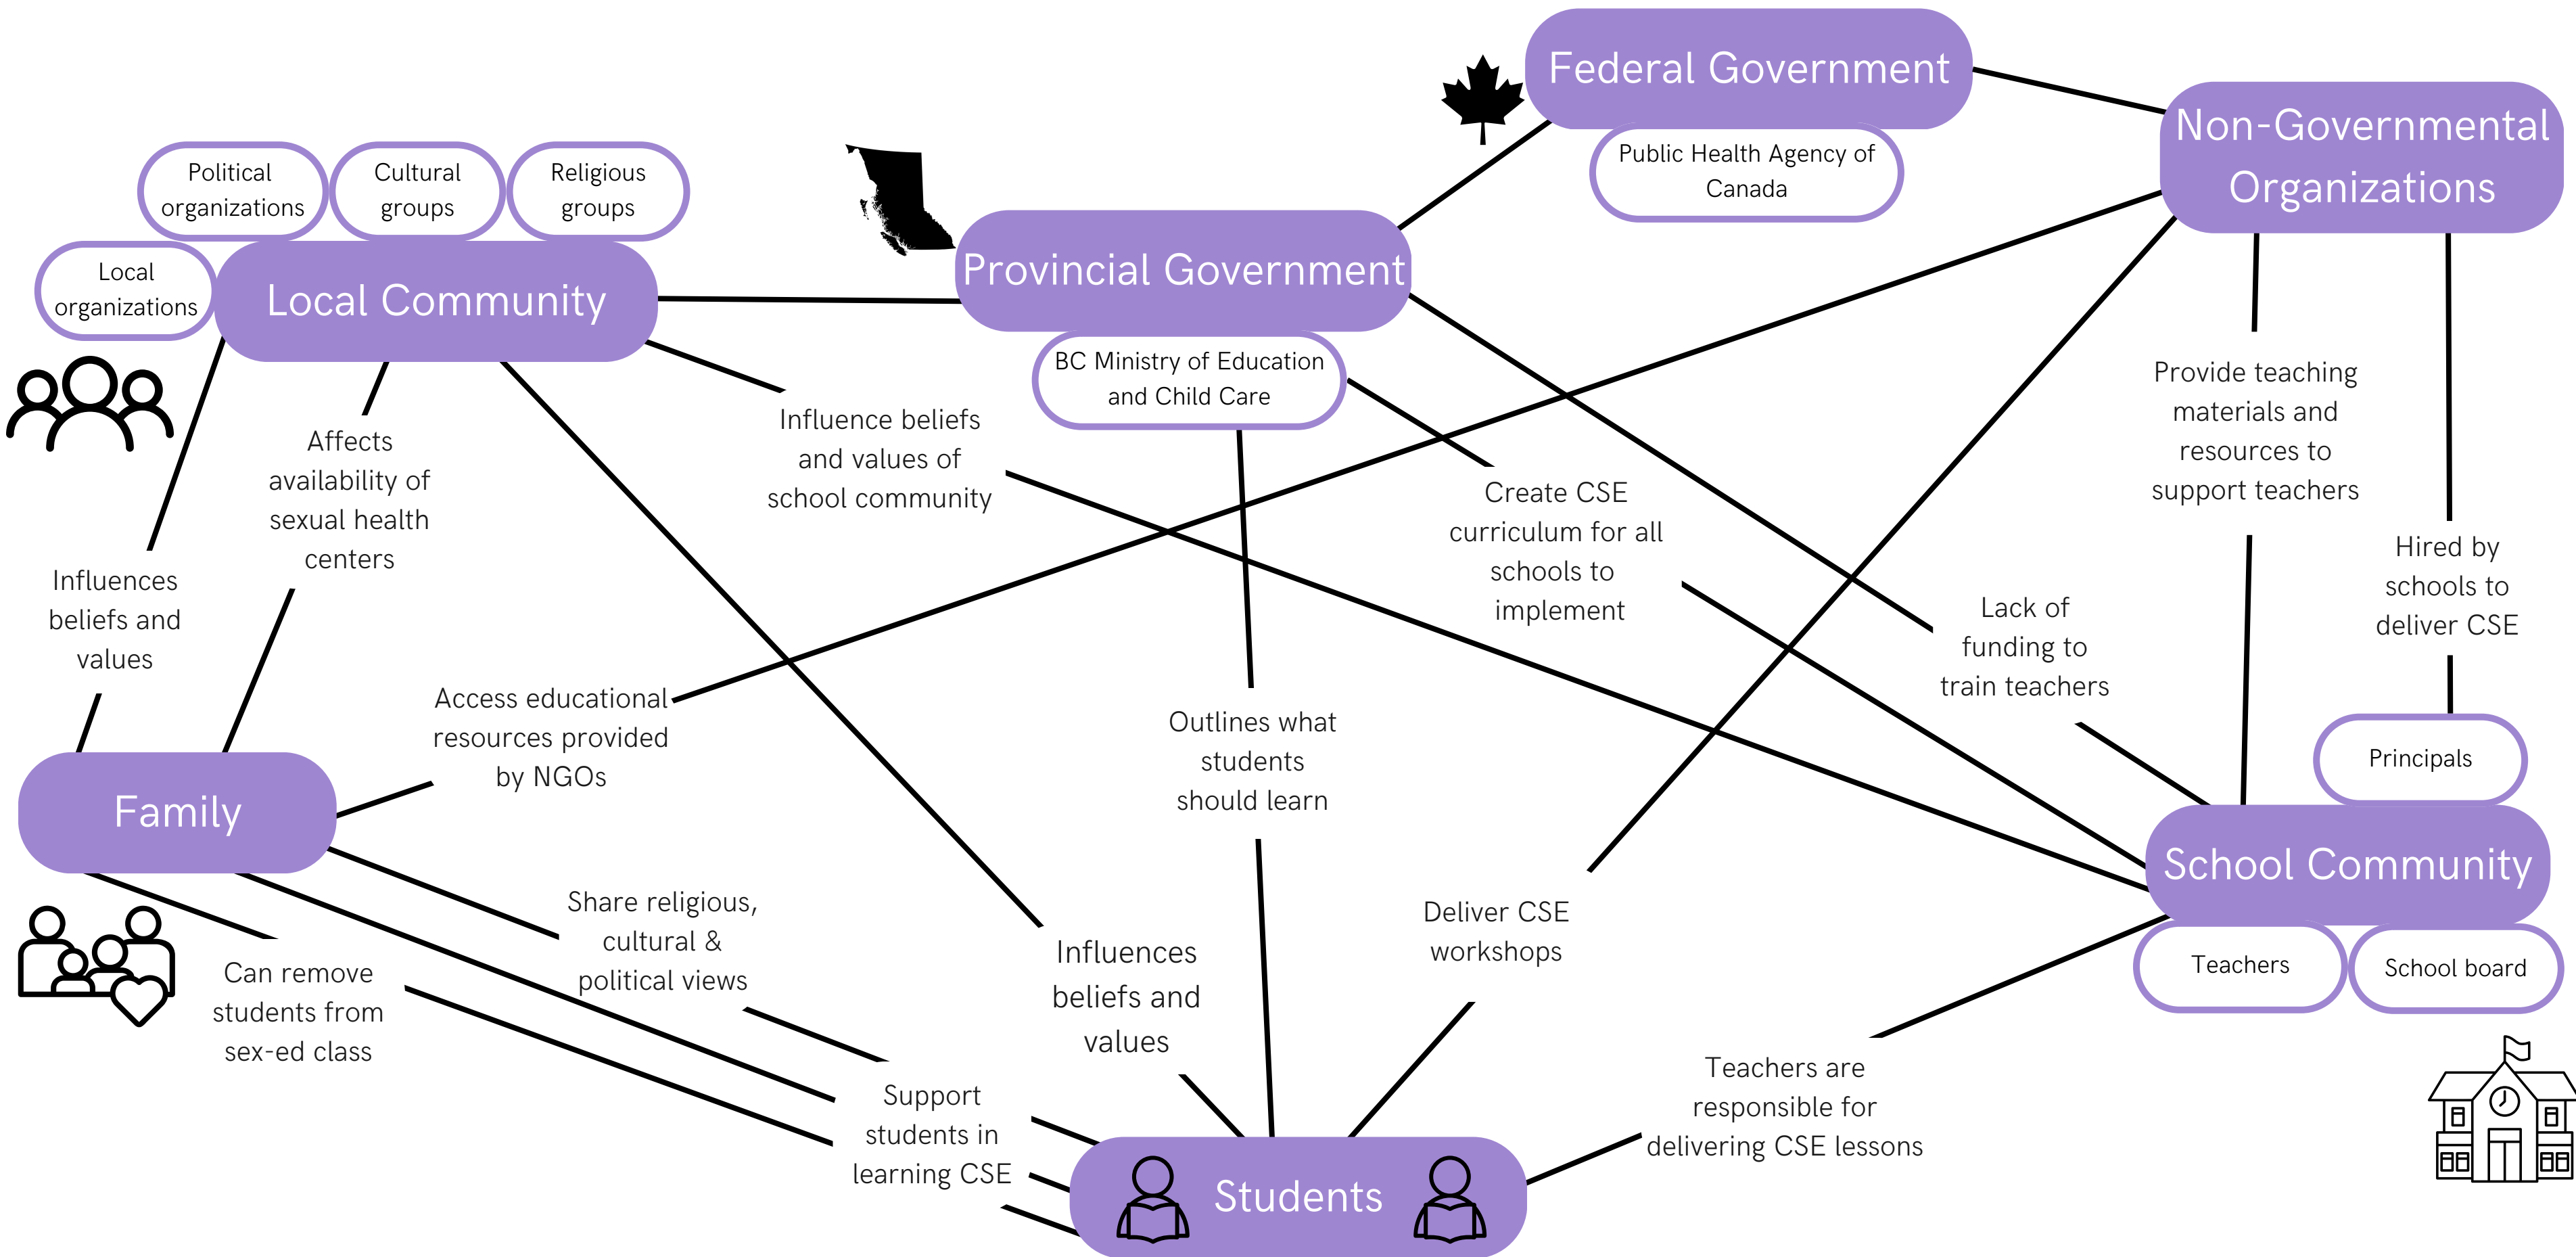

The quality of CSE  
delivered is largely  
dependent on  
teachers

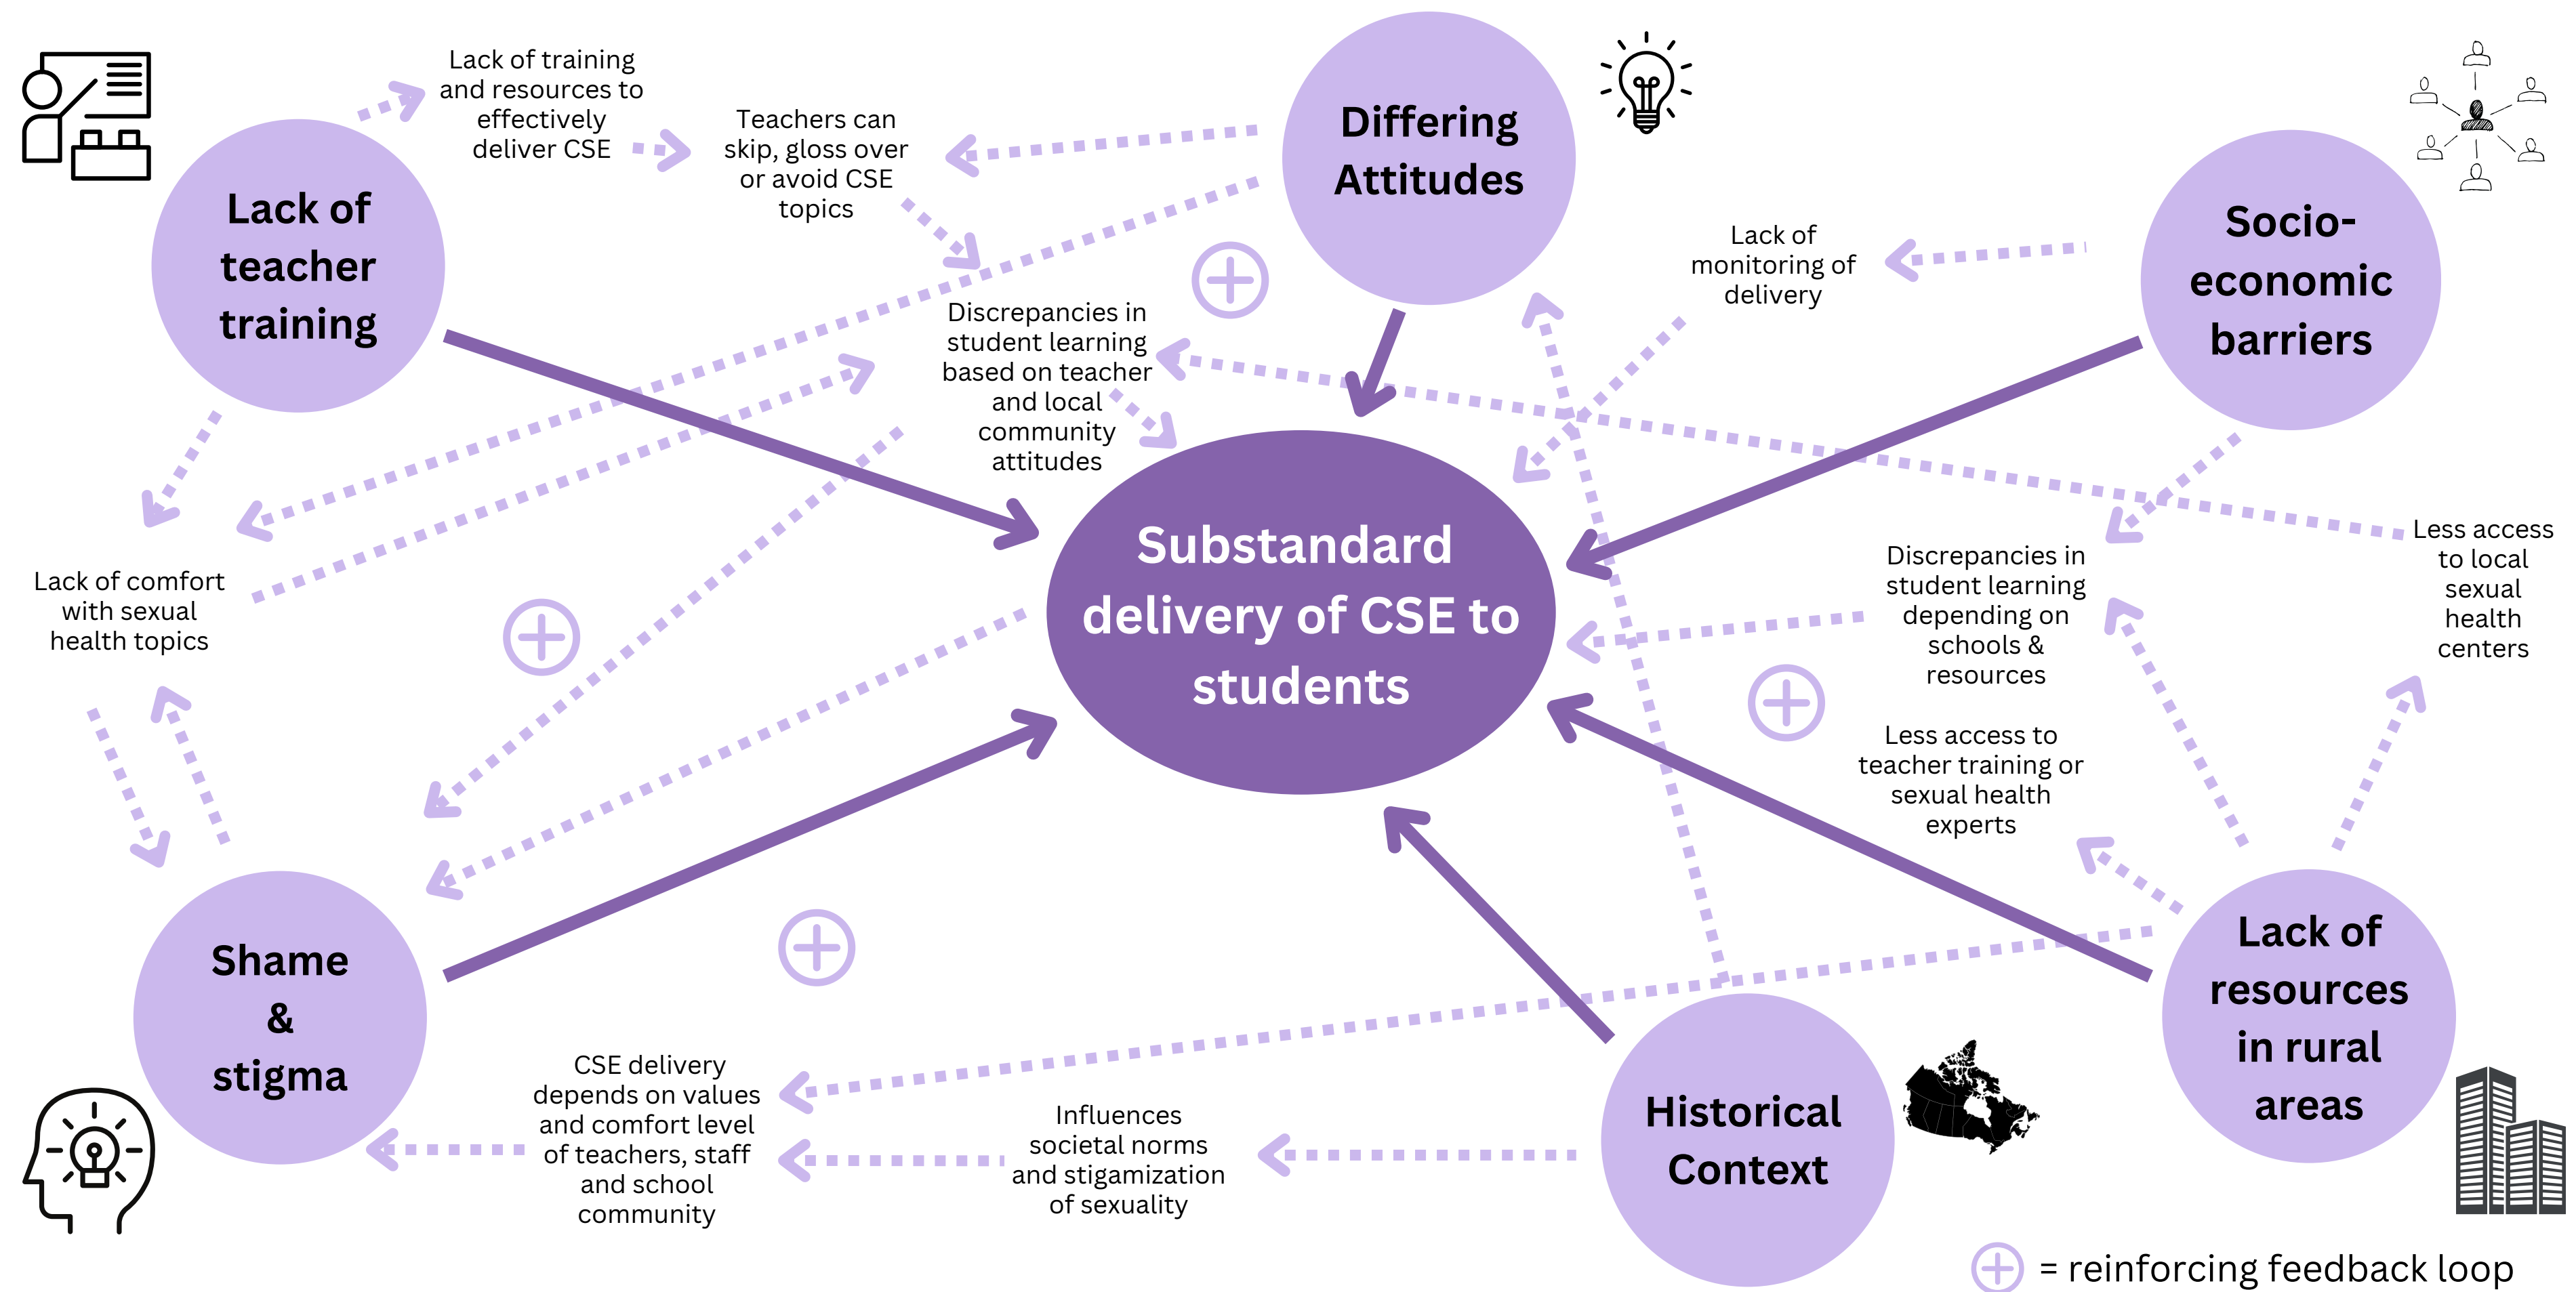

Frequency that sex-  
ed delivered based on  
survey results

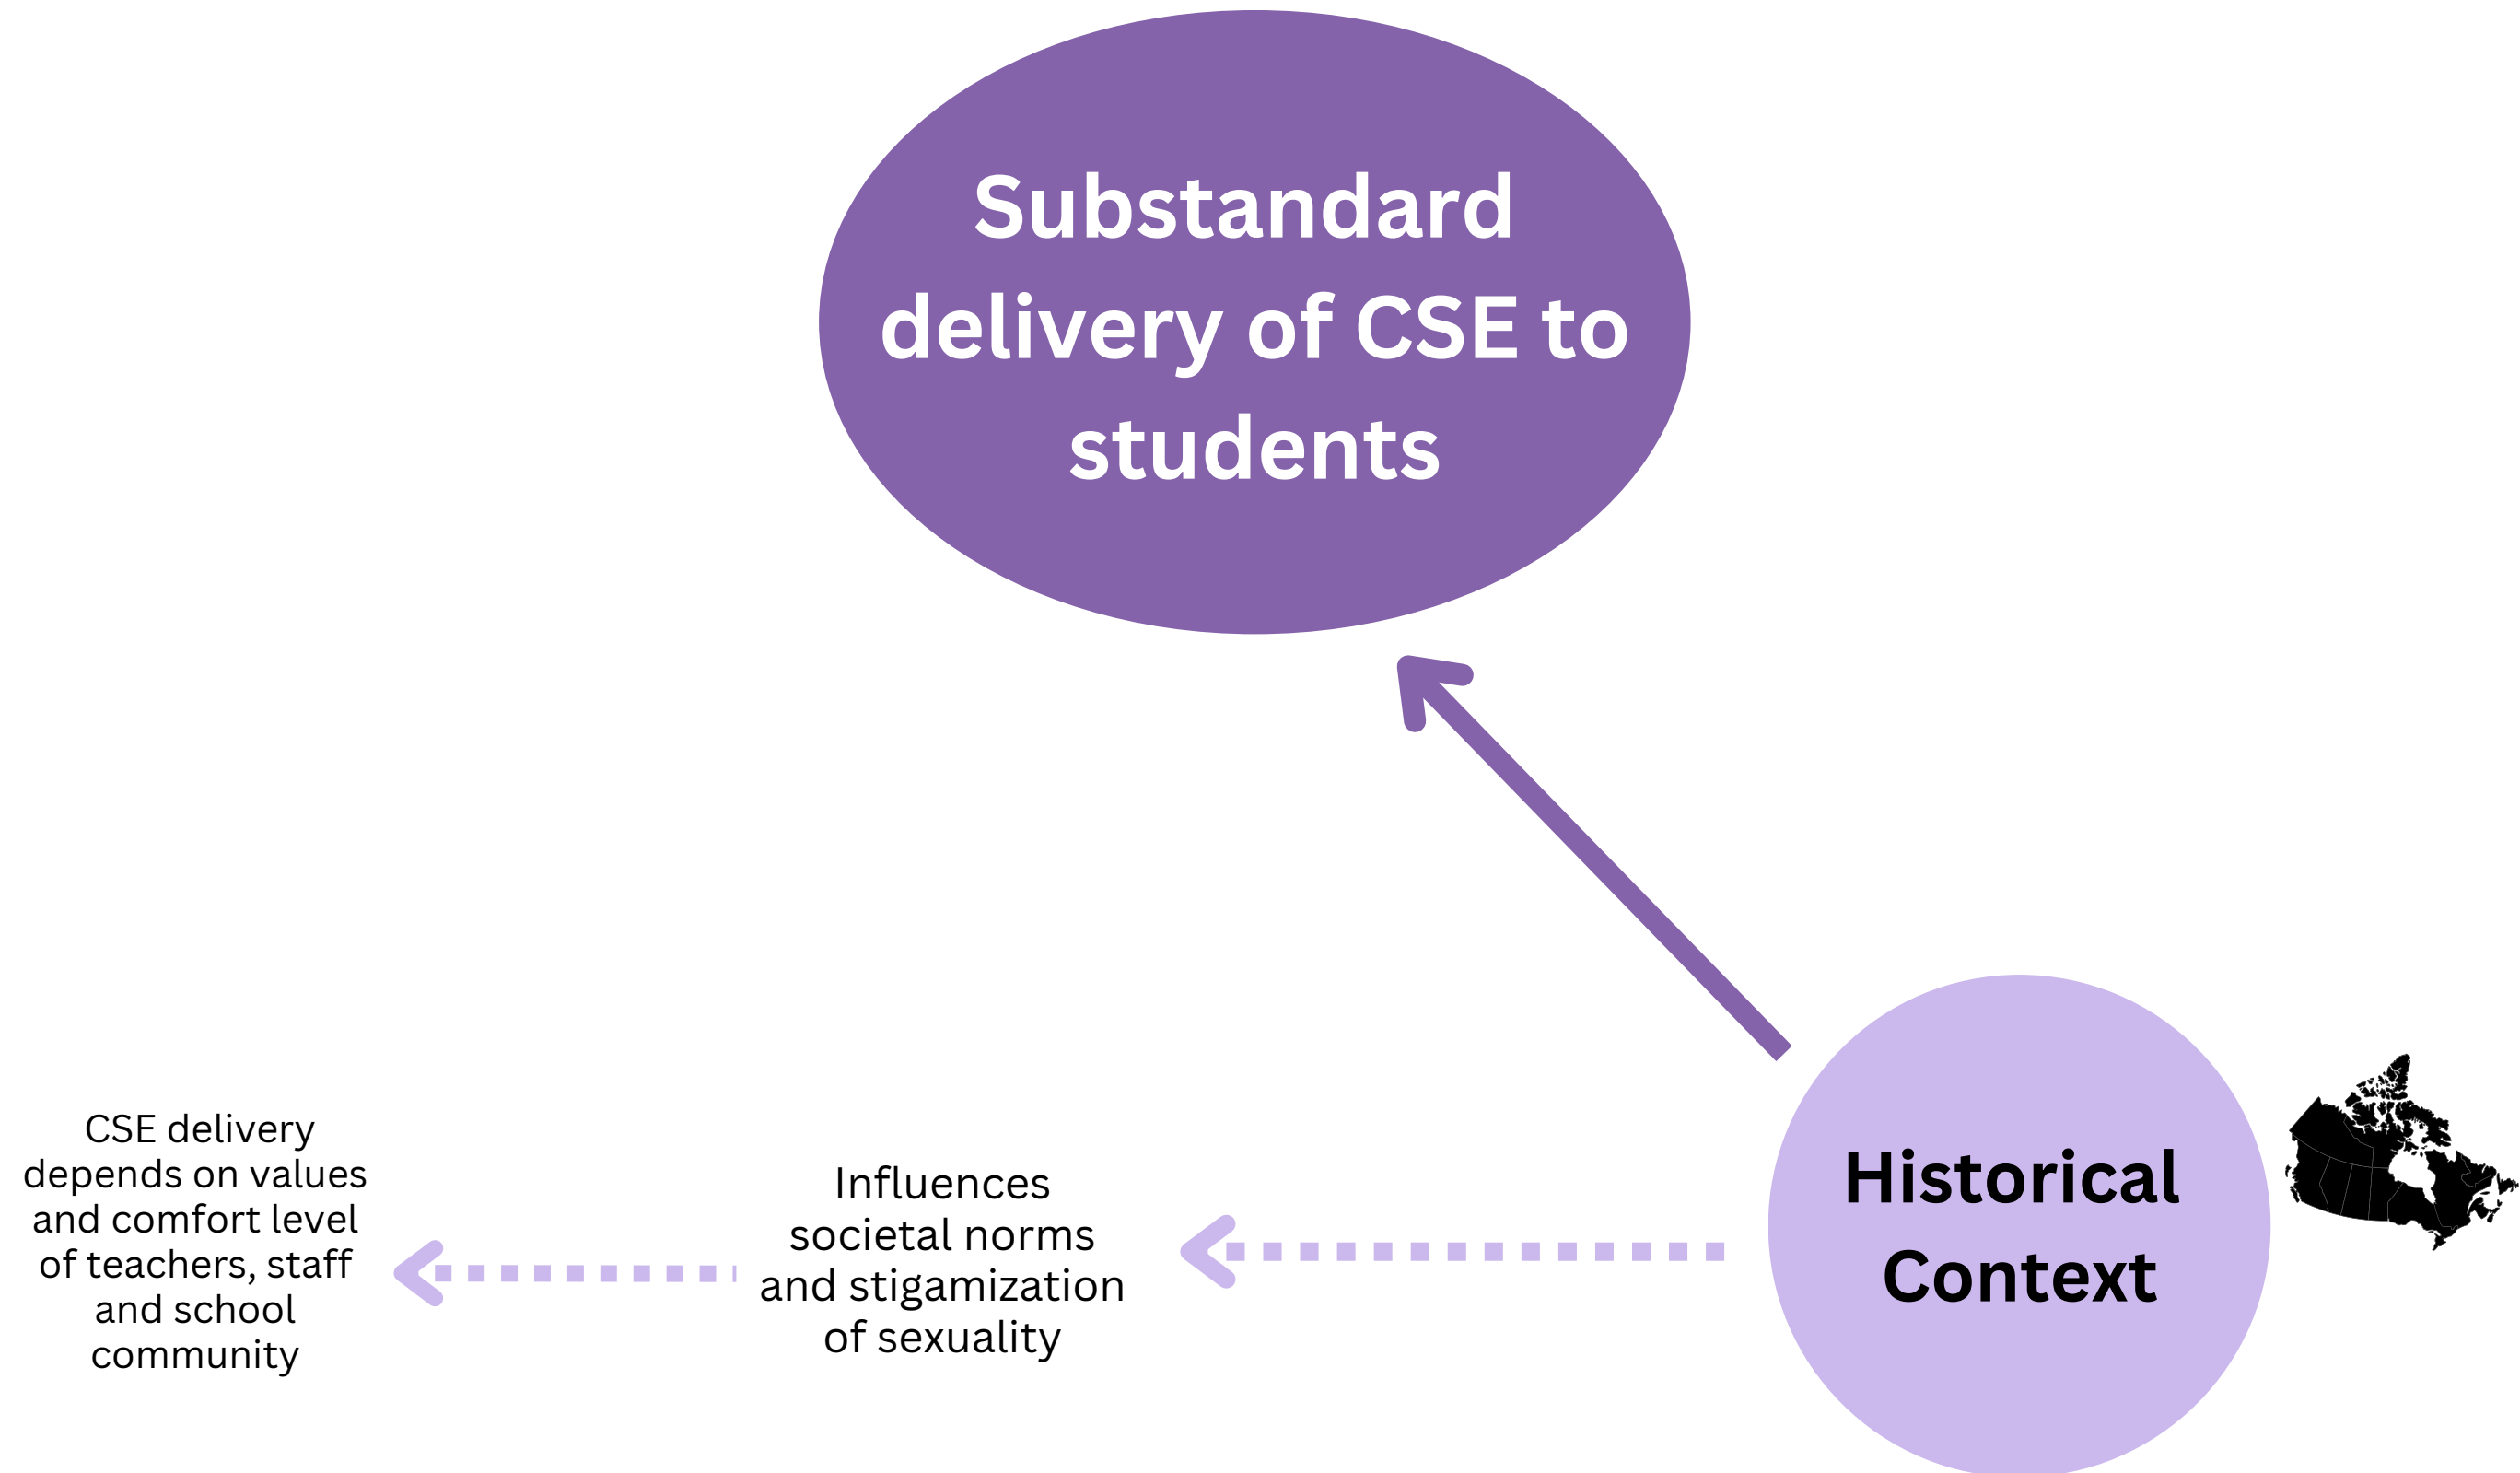

# Stakeholder Relationships

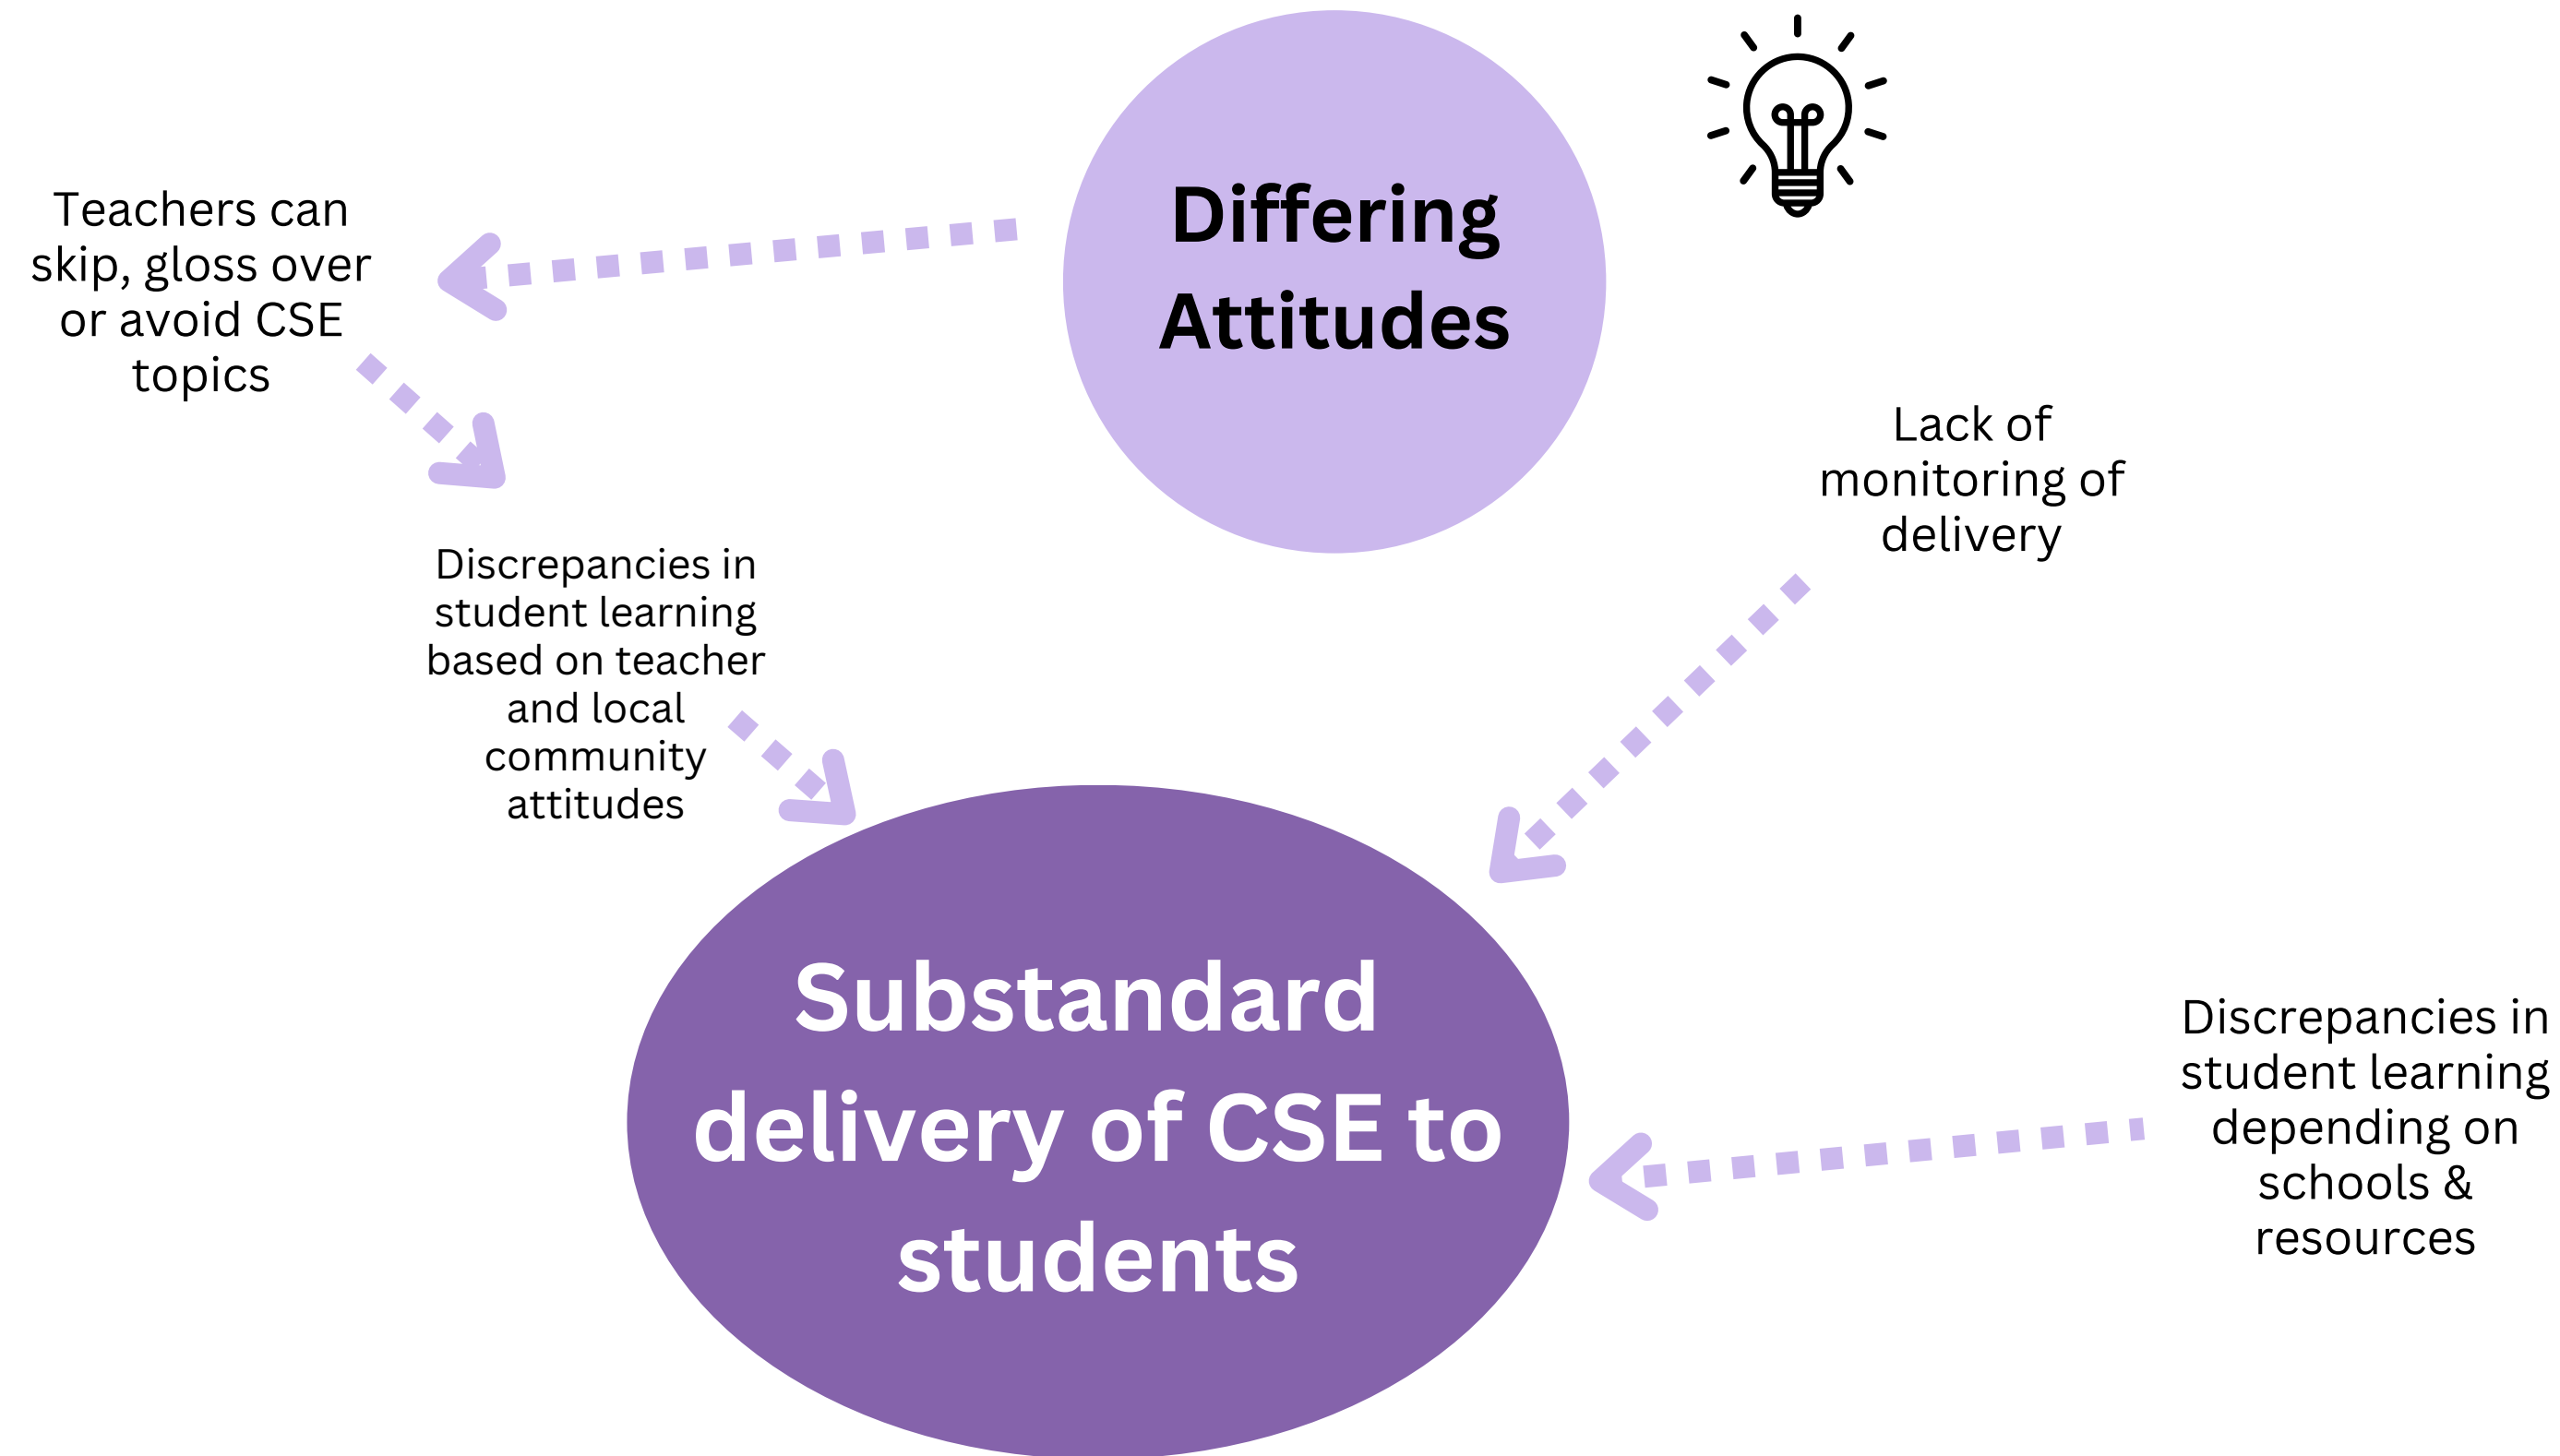

# The Root Causes of Substandard Delivery of CSE Form Reinforcing Feedback Loops

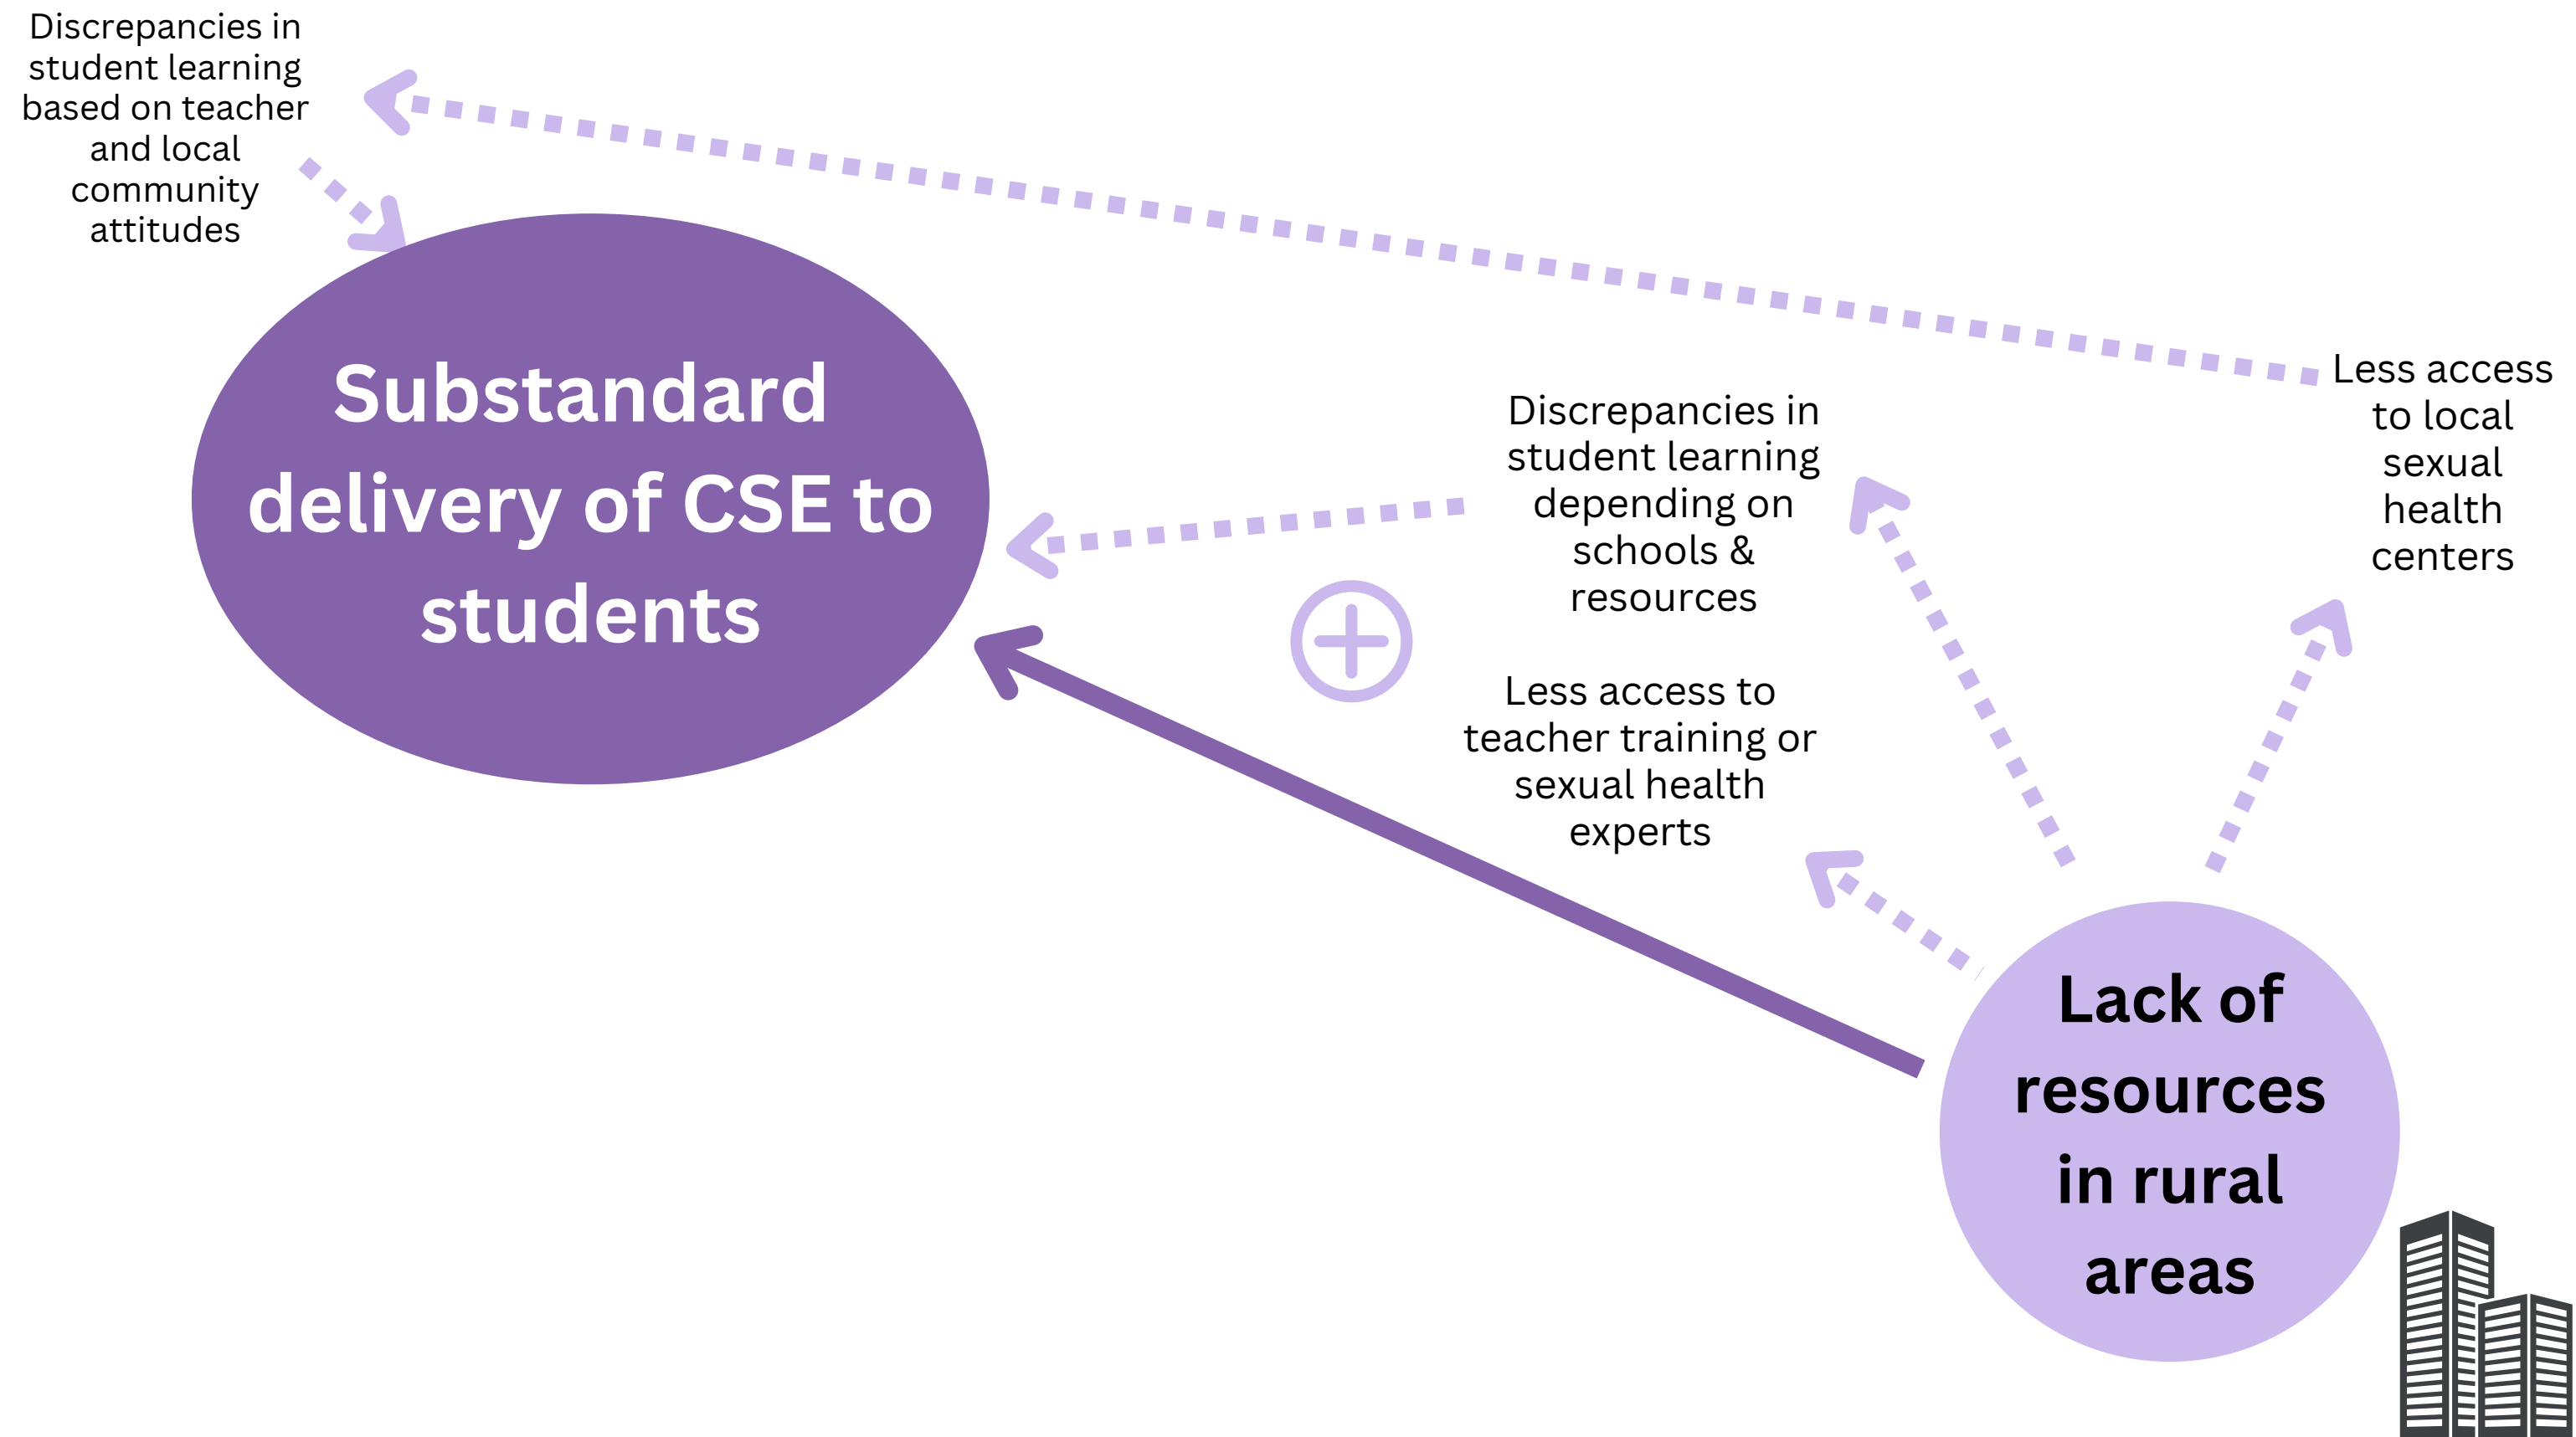

# Root Cause: Historical Context

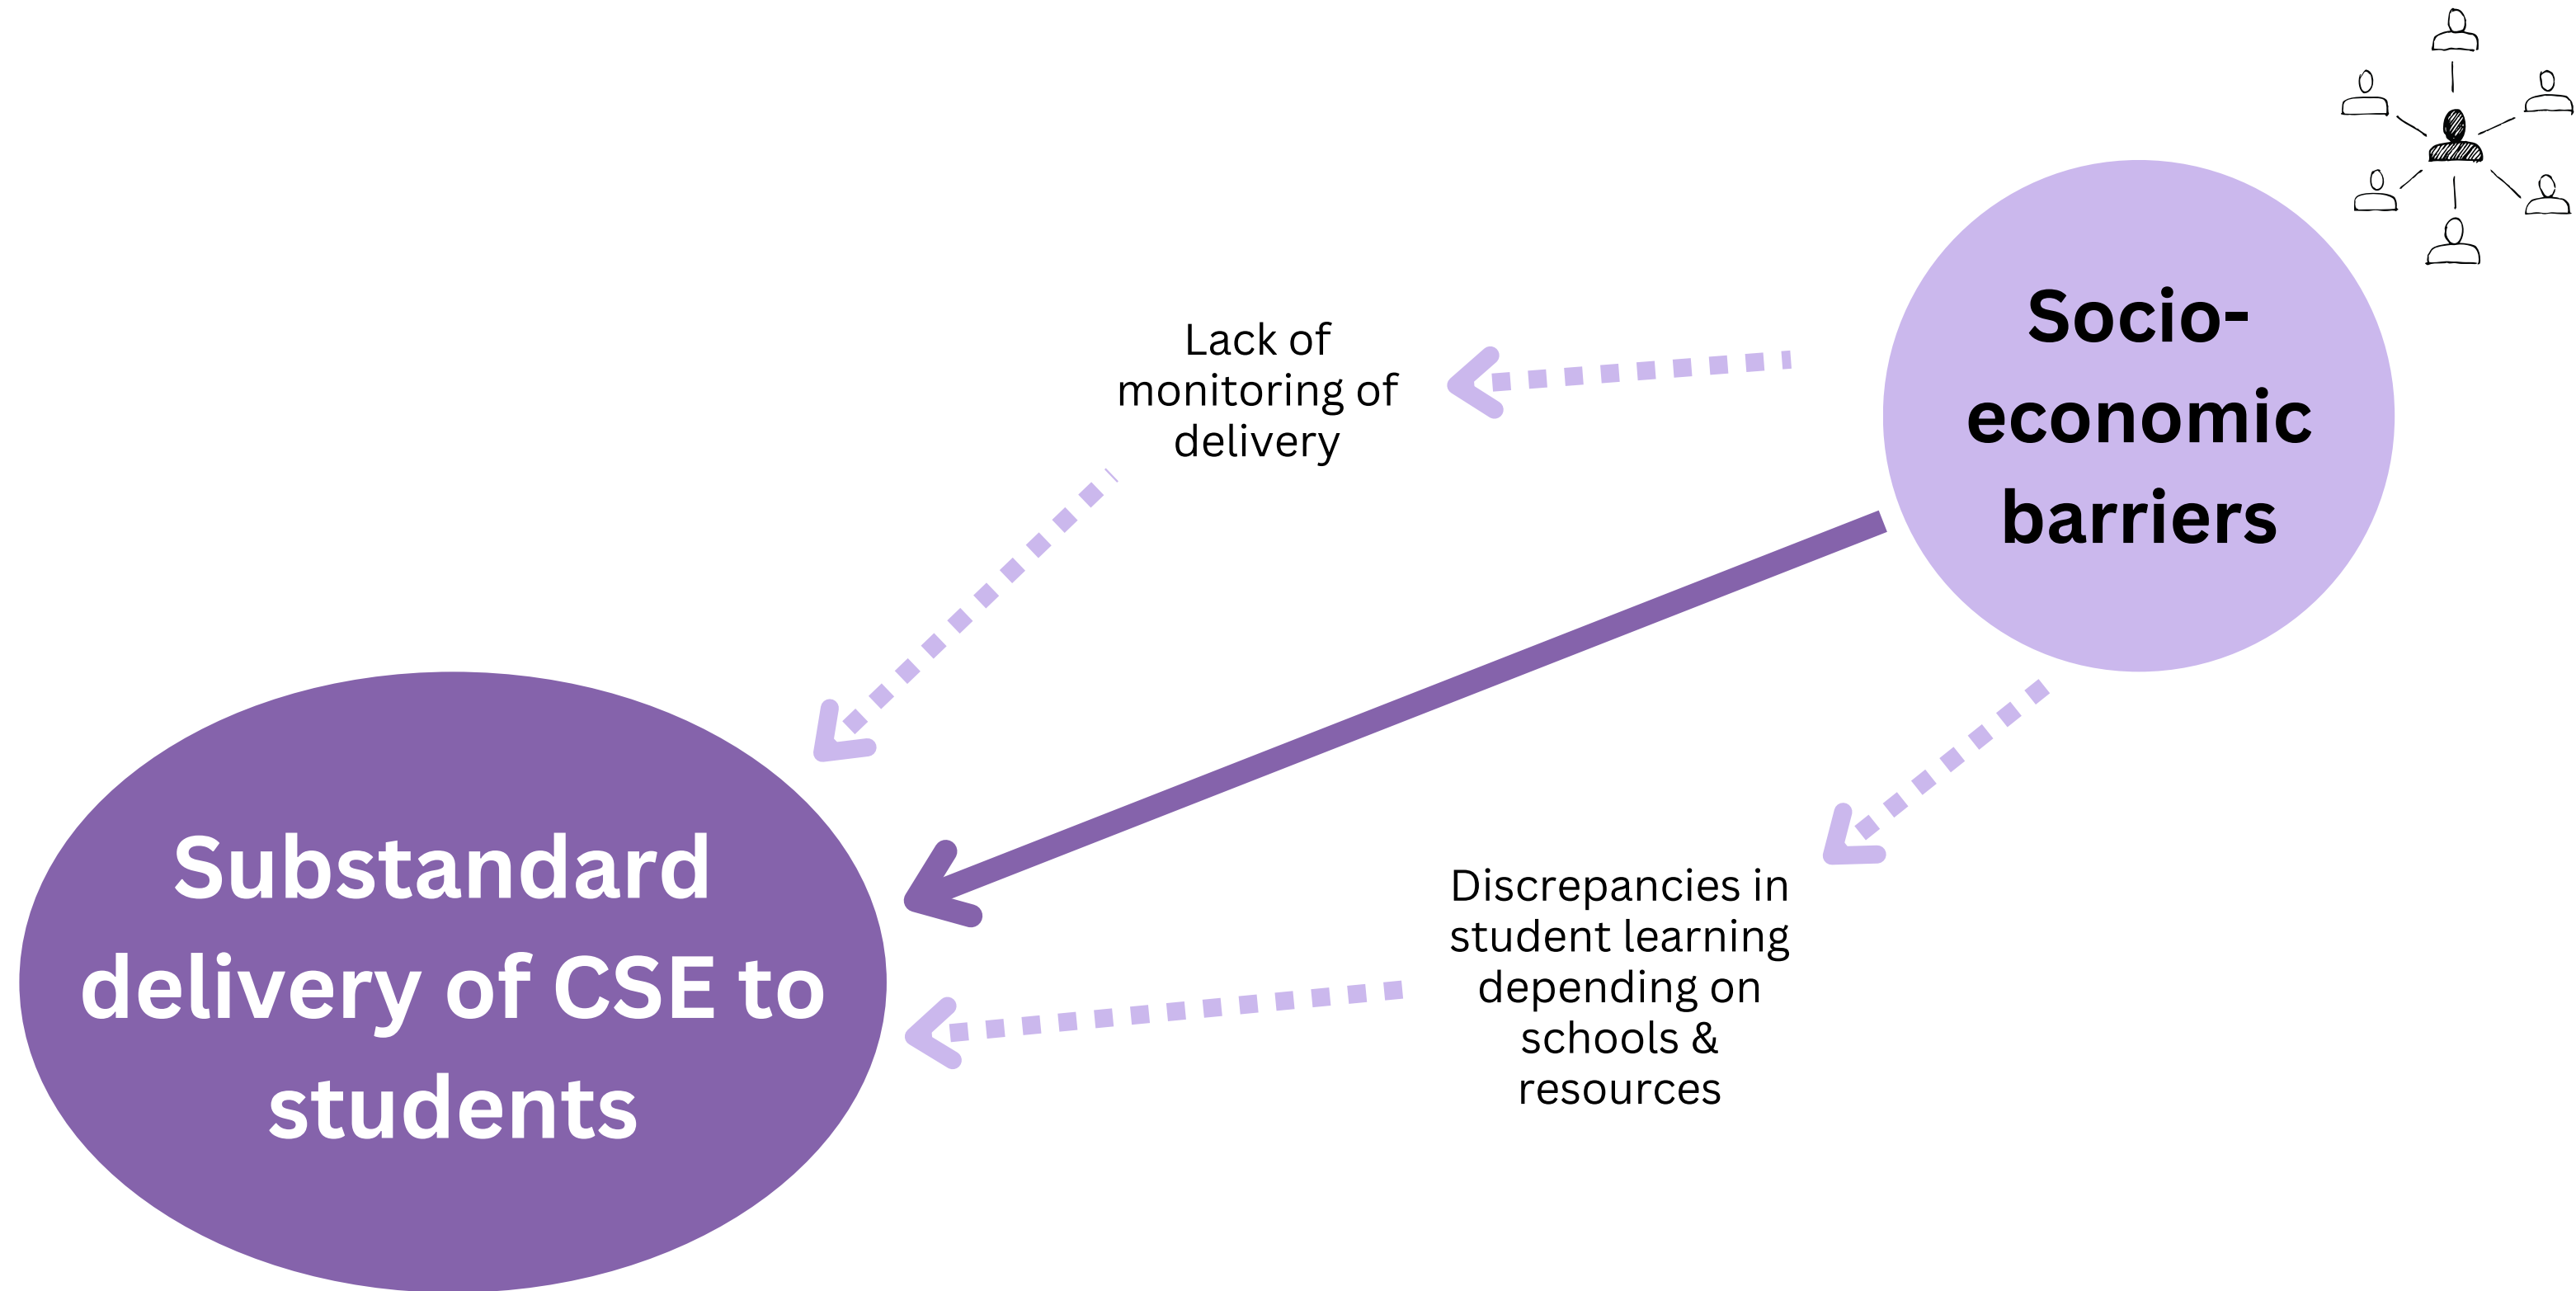

# Root Cause: Differing Attitudes

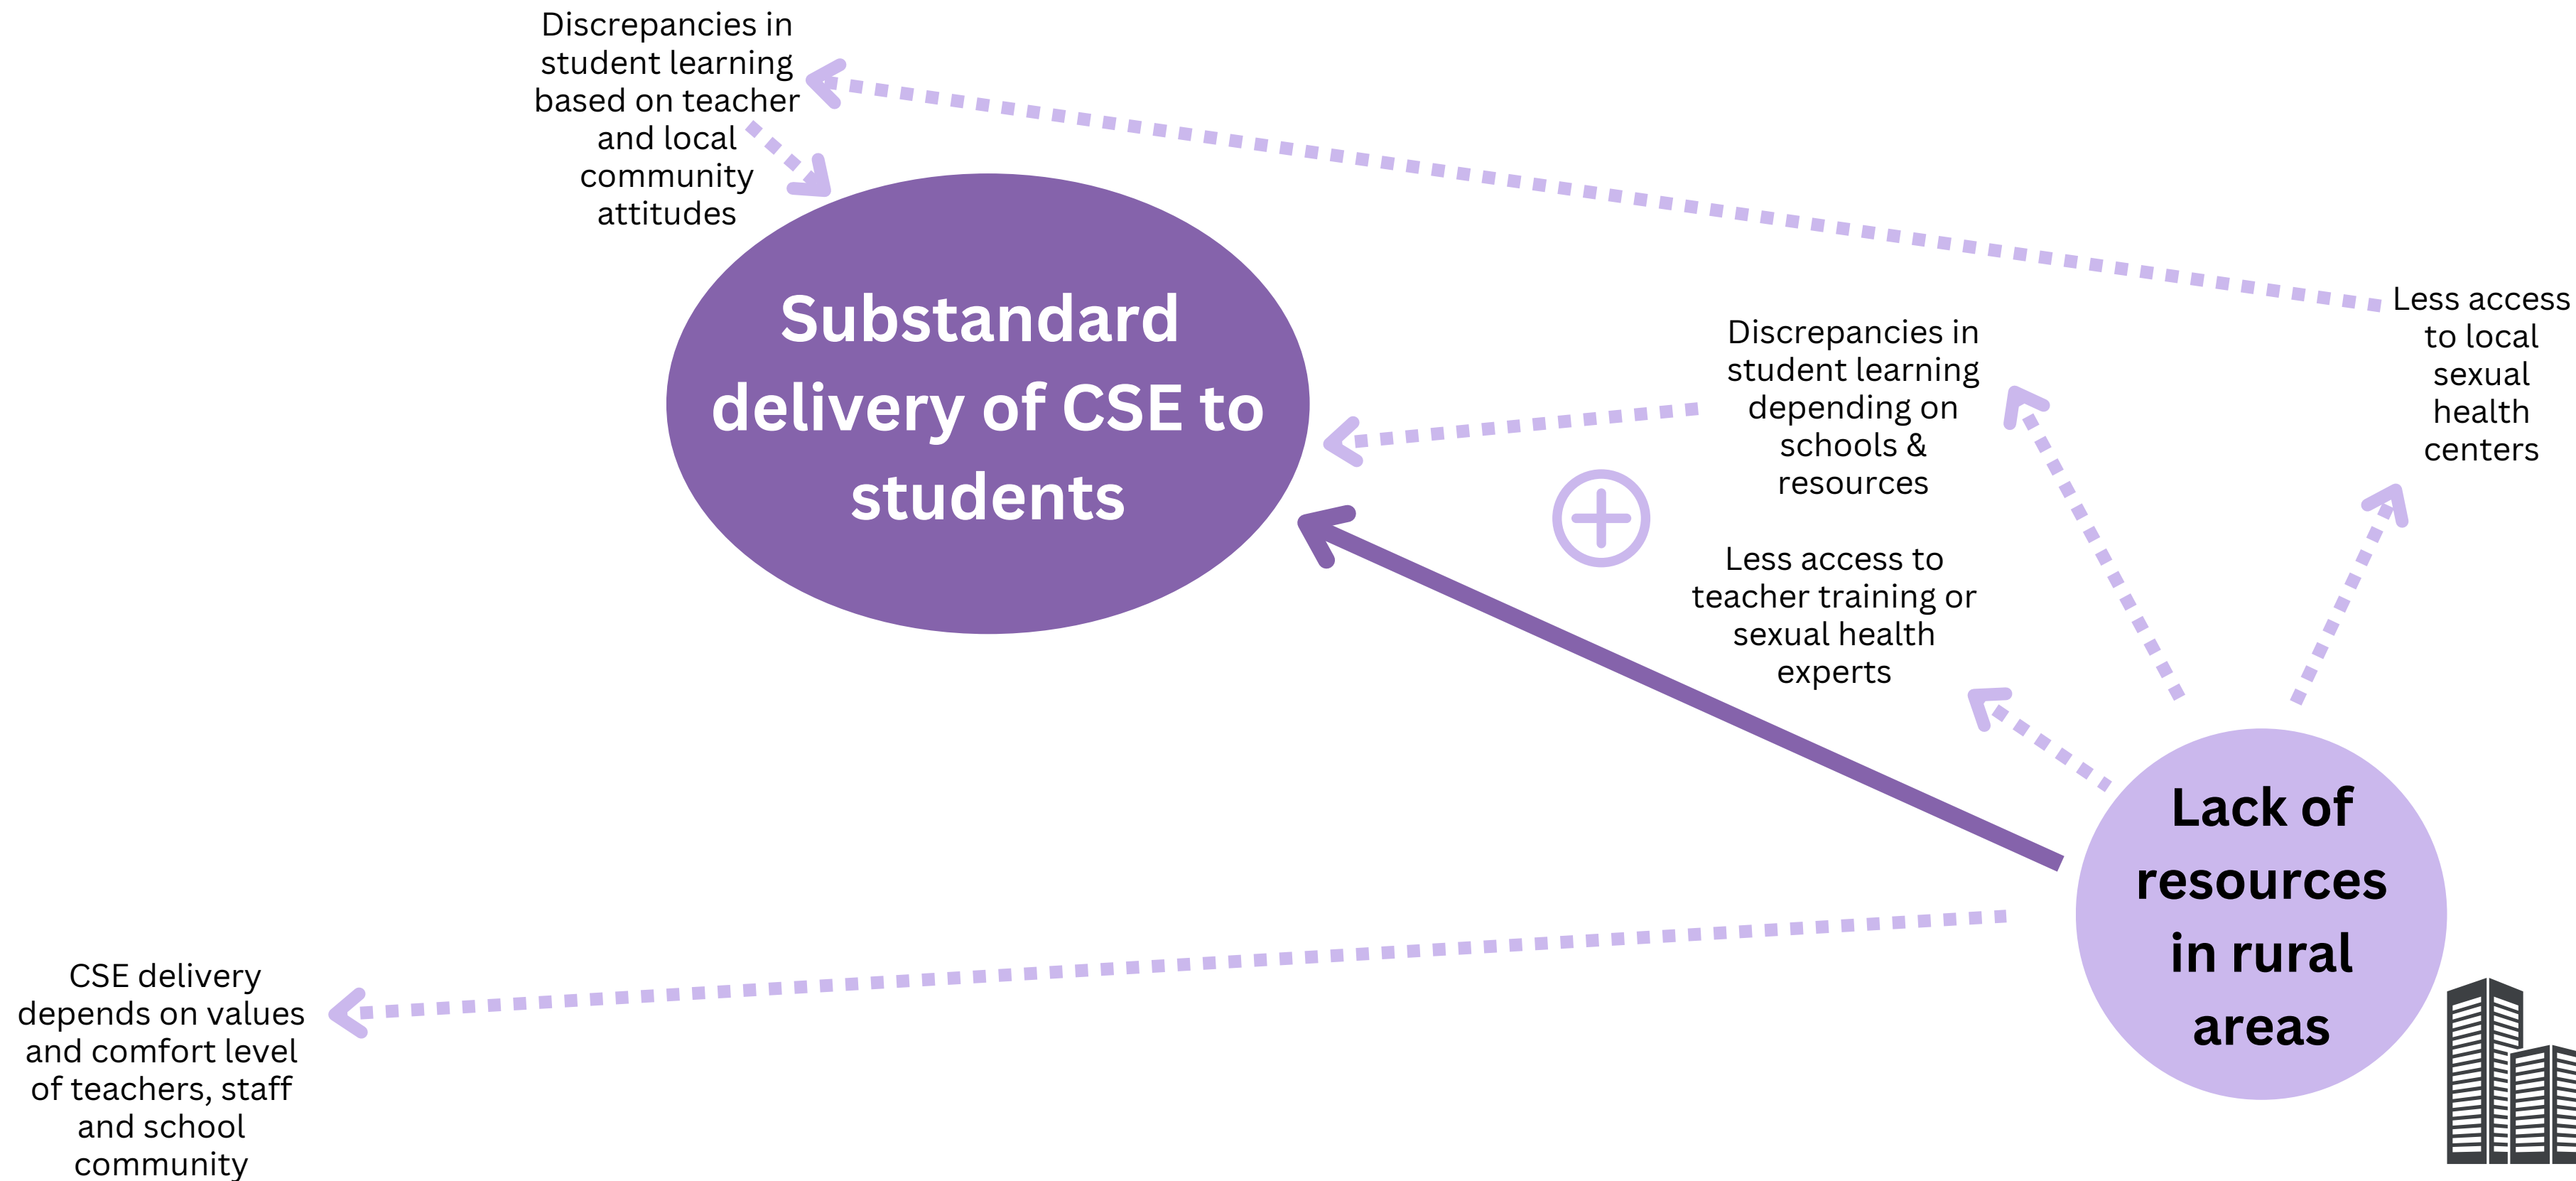

# Root Cause: Lack of Teacher Training

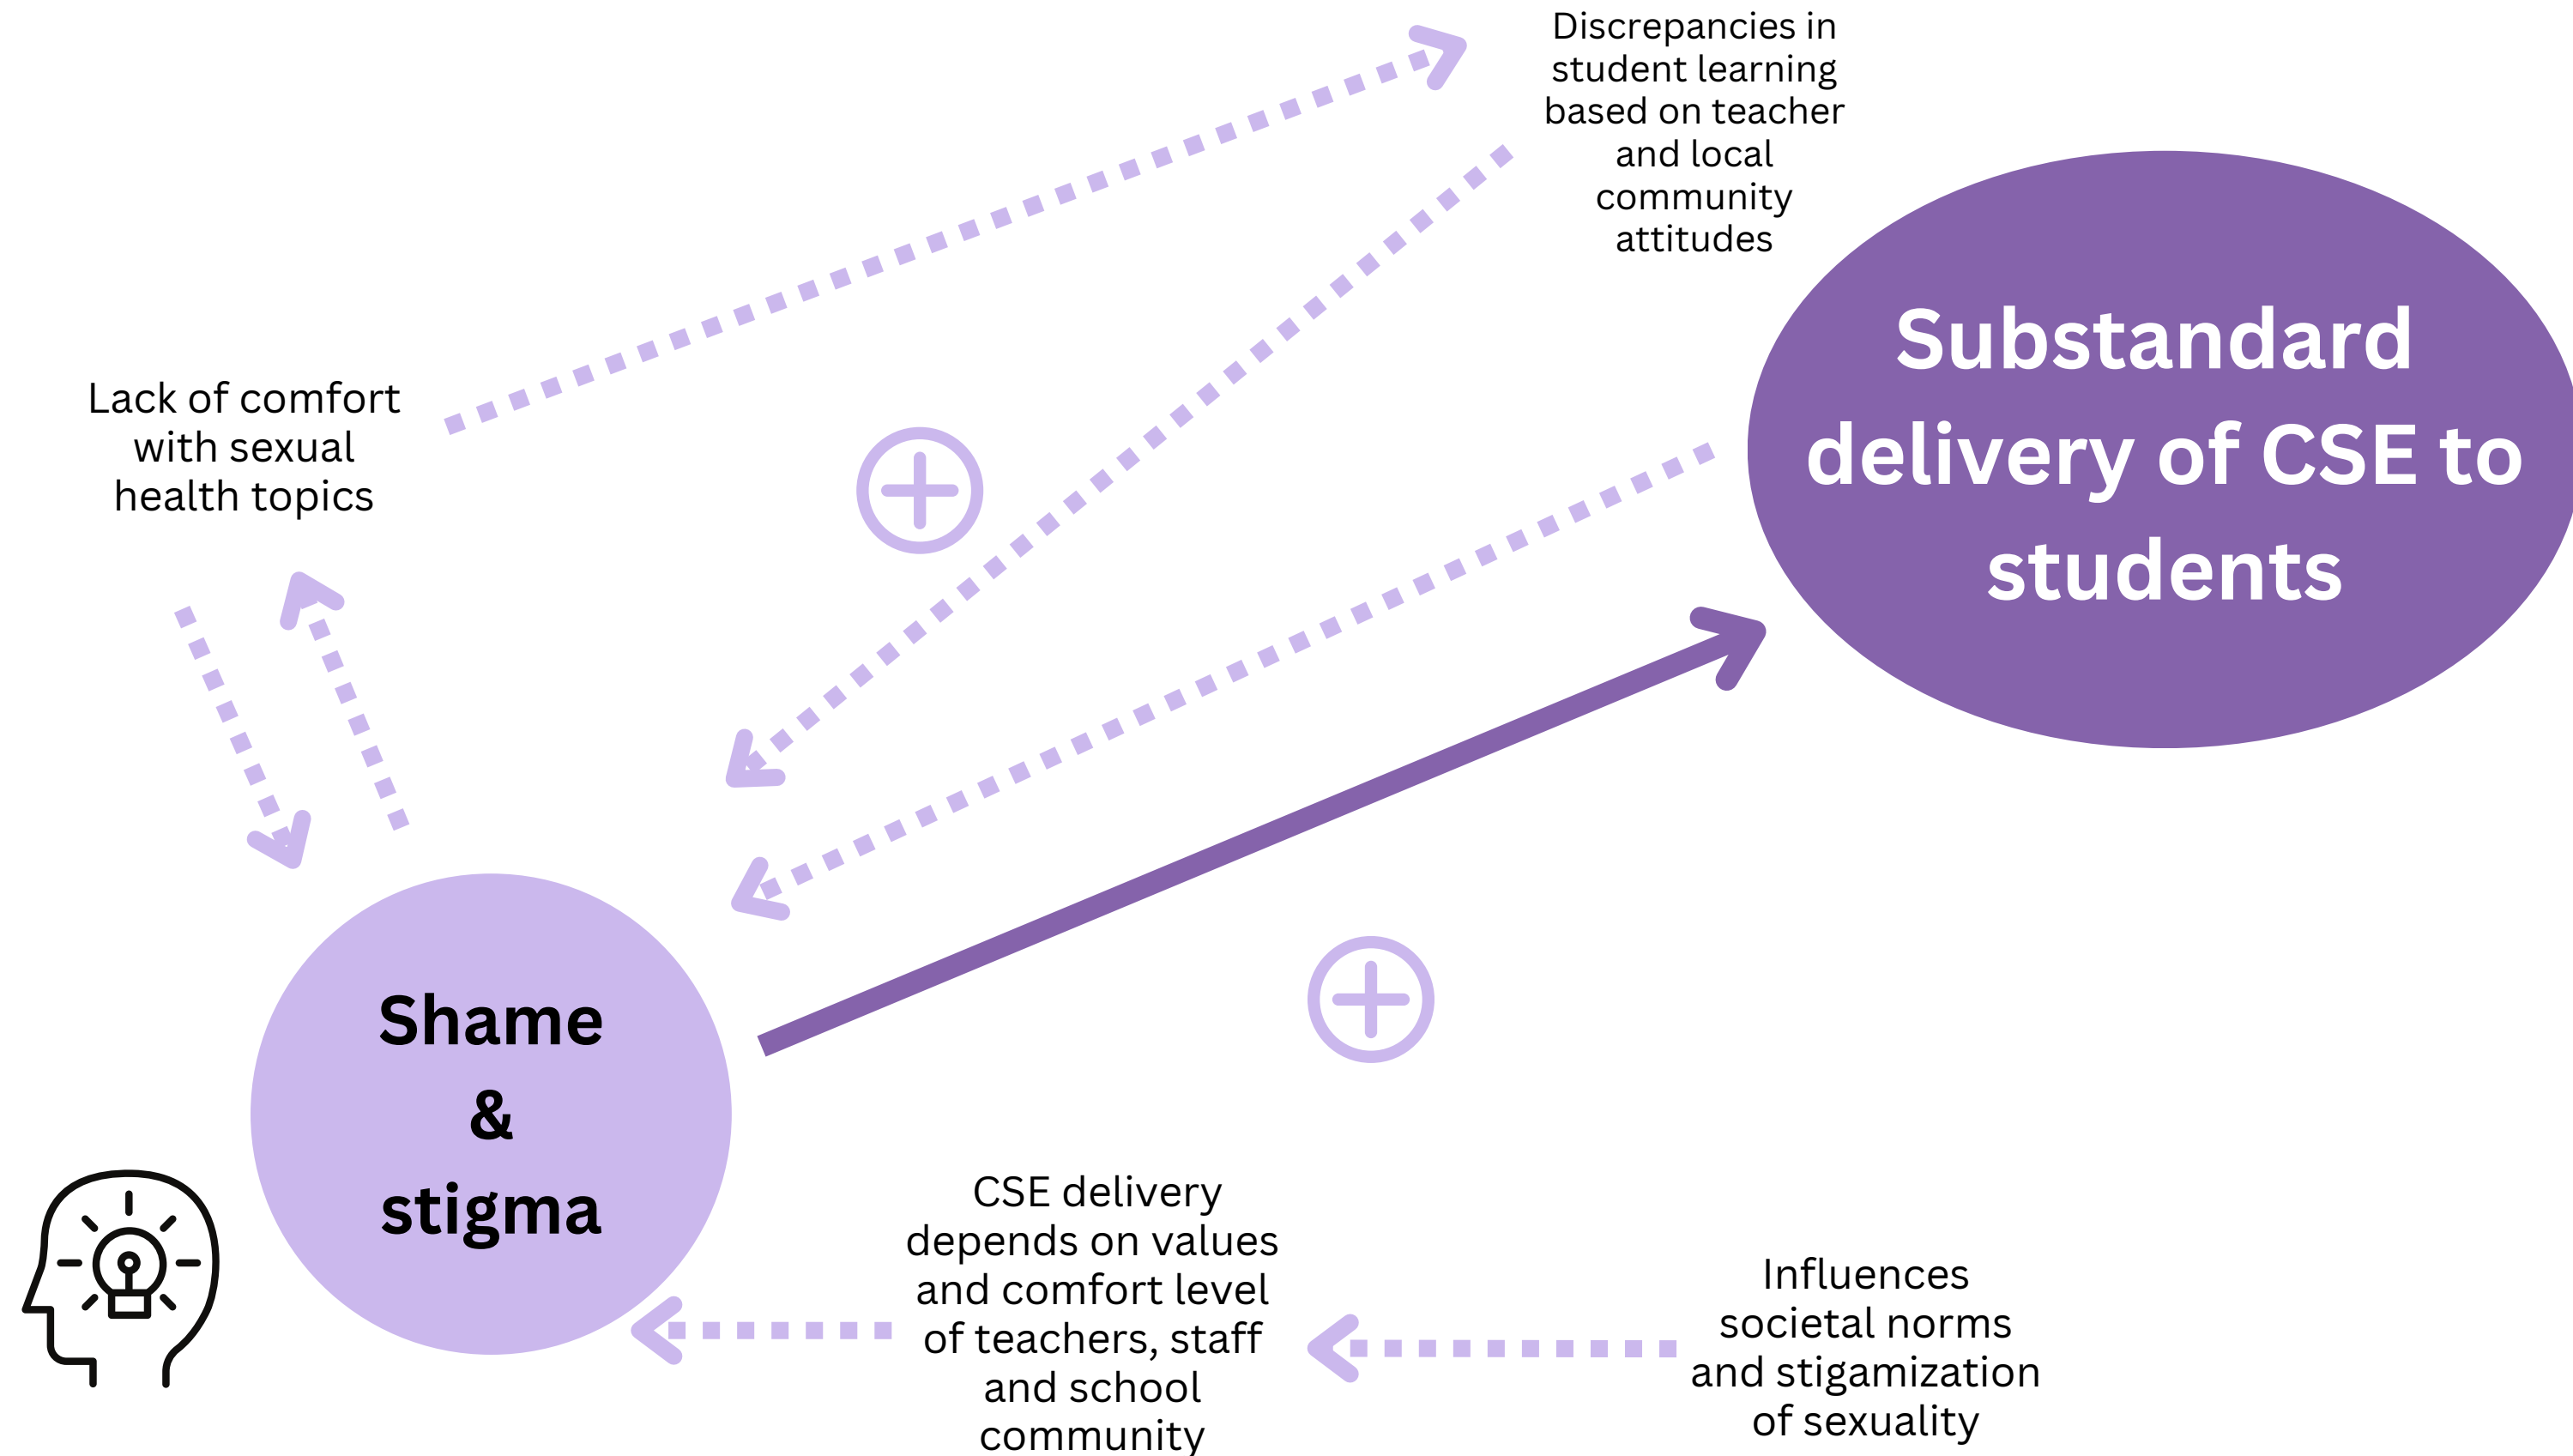

# Root Cause: Socio-economic barriers

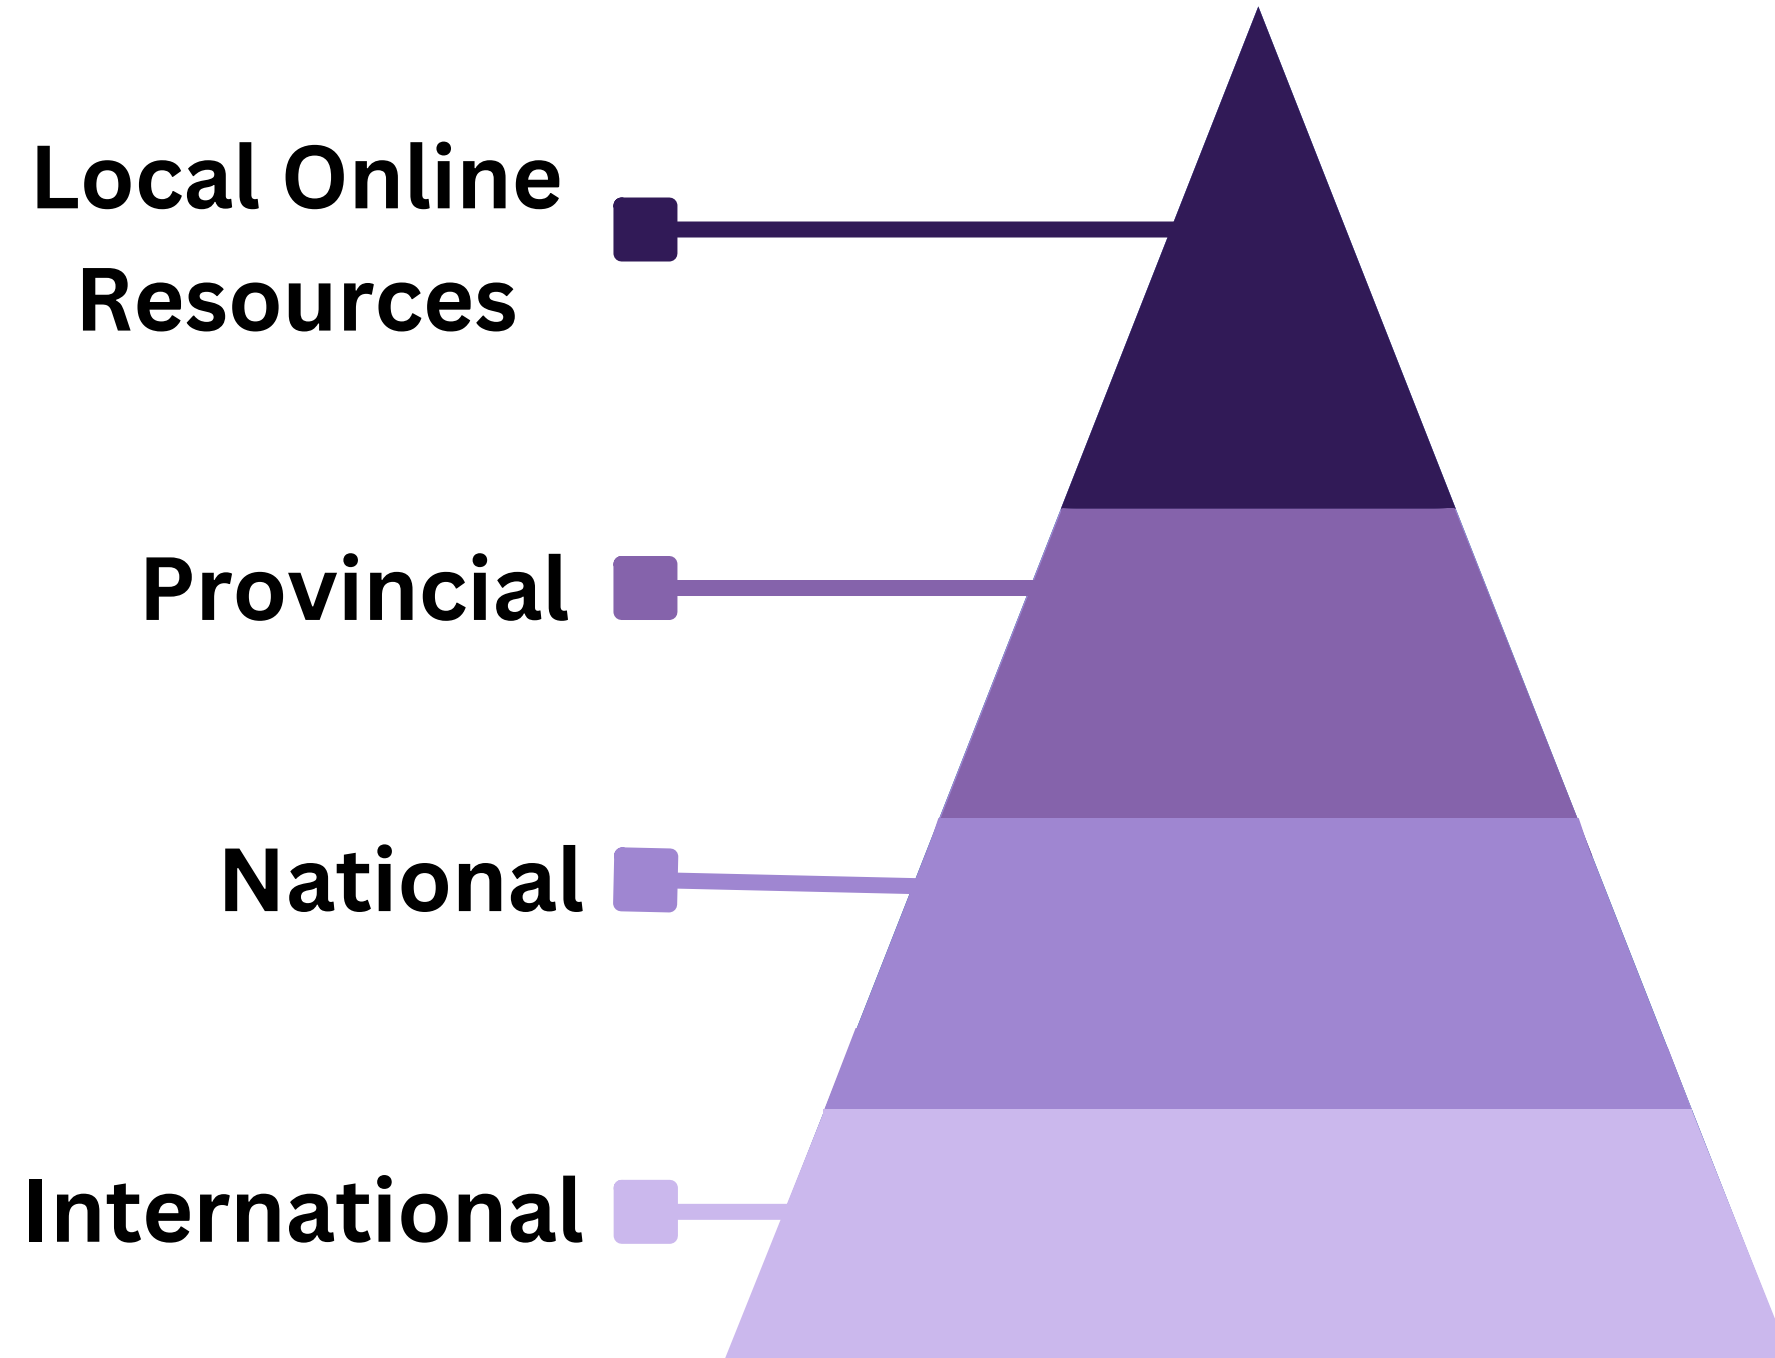

# Root Causes: Lack of Resources in Rural Areas

# Root Cause: Shame & Stigma

# Current Solutions

## Websites

- Scarleteen, Healthy Teen Network

## Options for Sexual Health

- Offers sexual & reproductive healthcare, information, and resources

## Action Canada

- Advances & upholds sexual and reproductive rights

## SIECCAN

- Promotes Canadian sexual & reproductive health

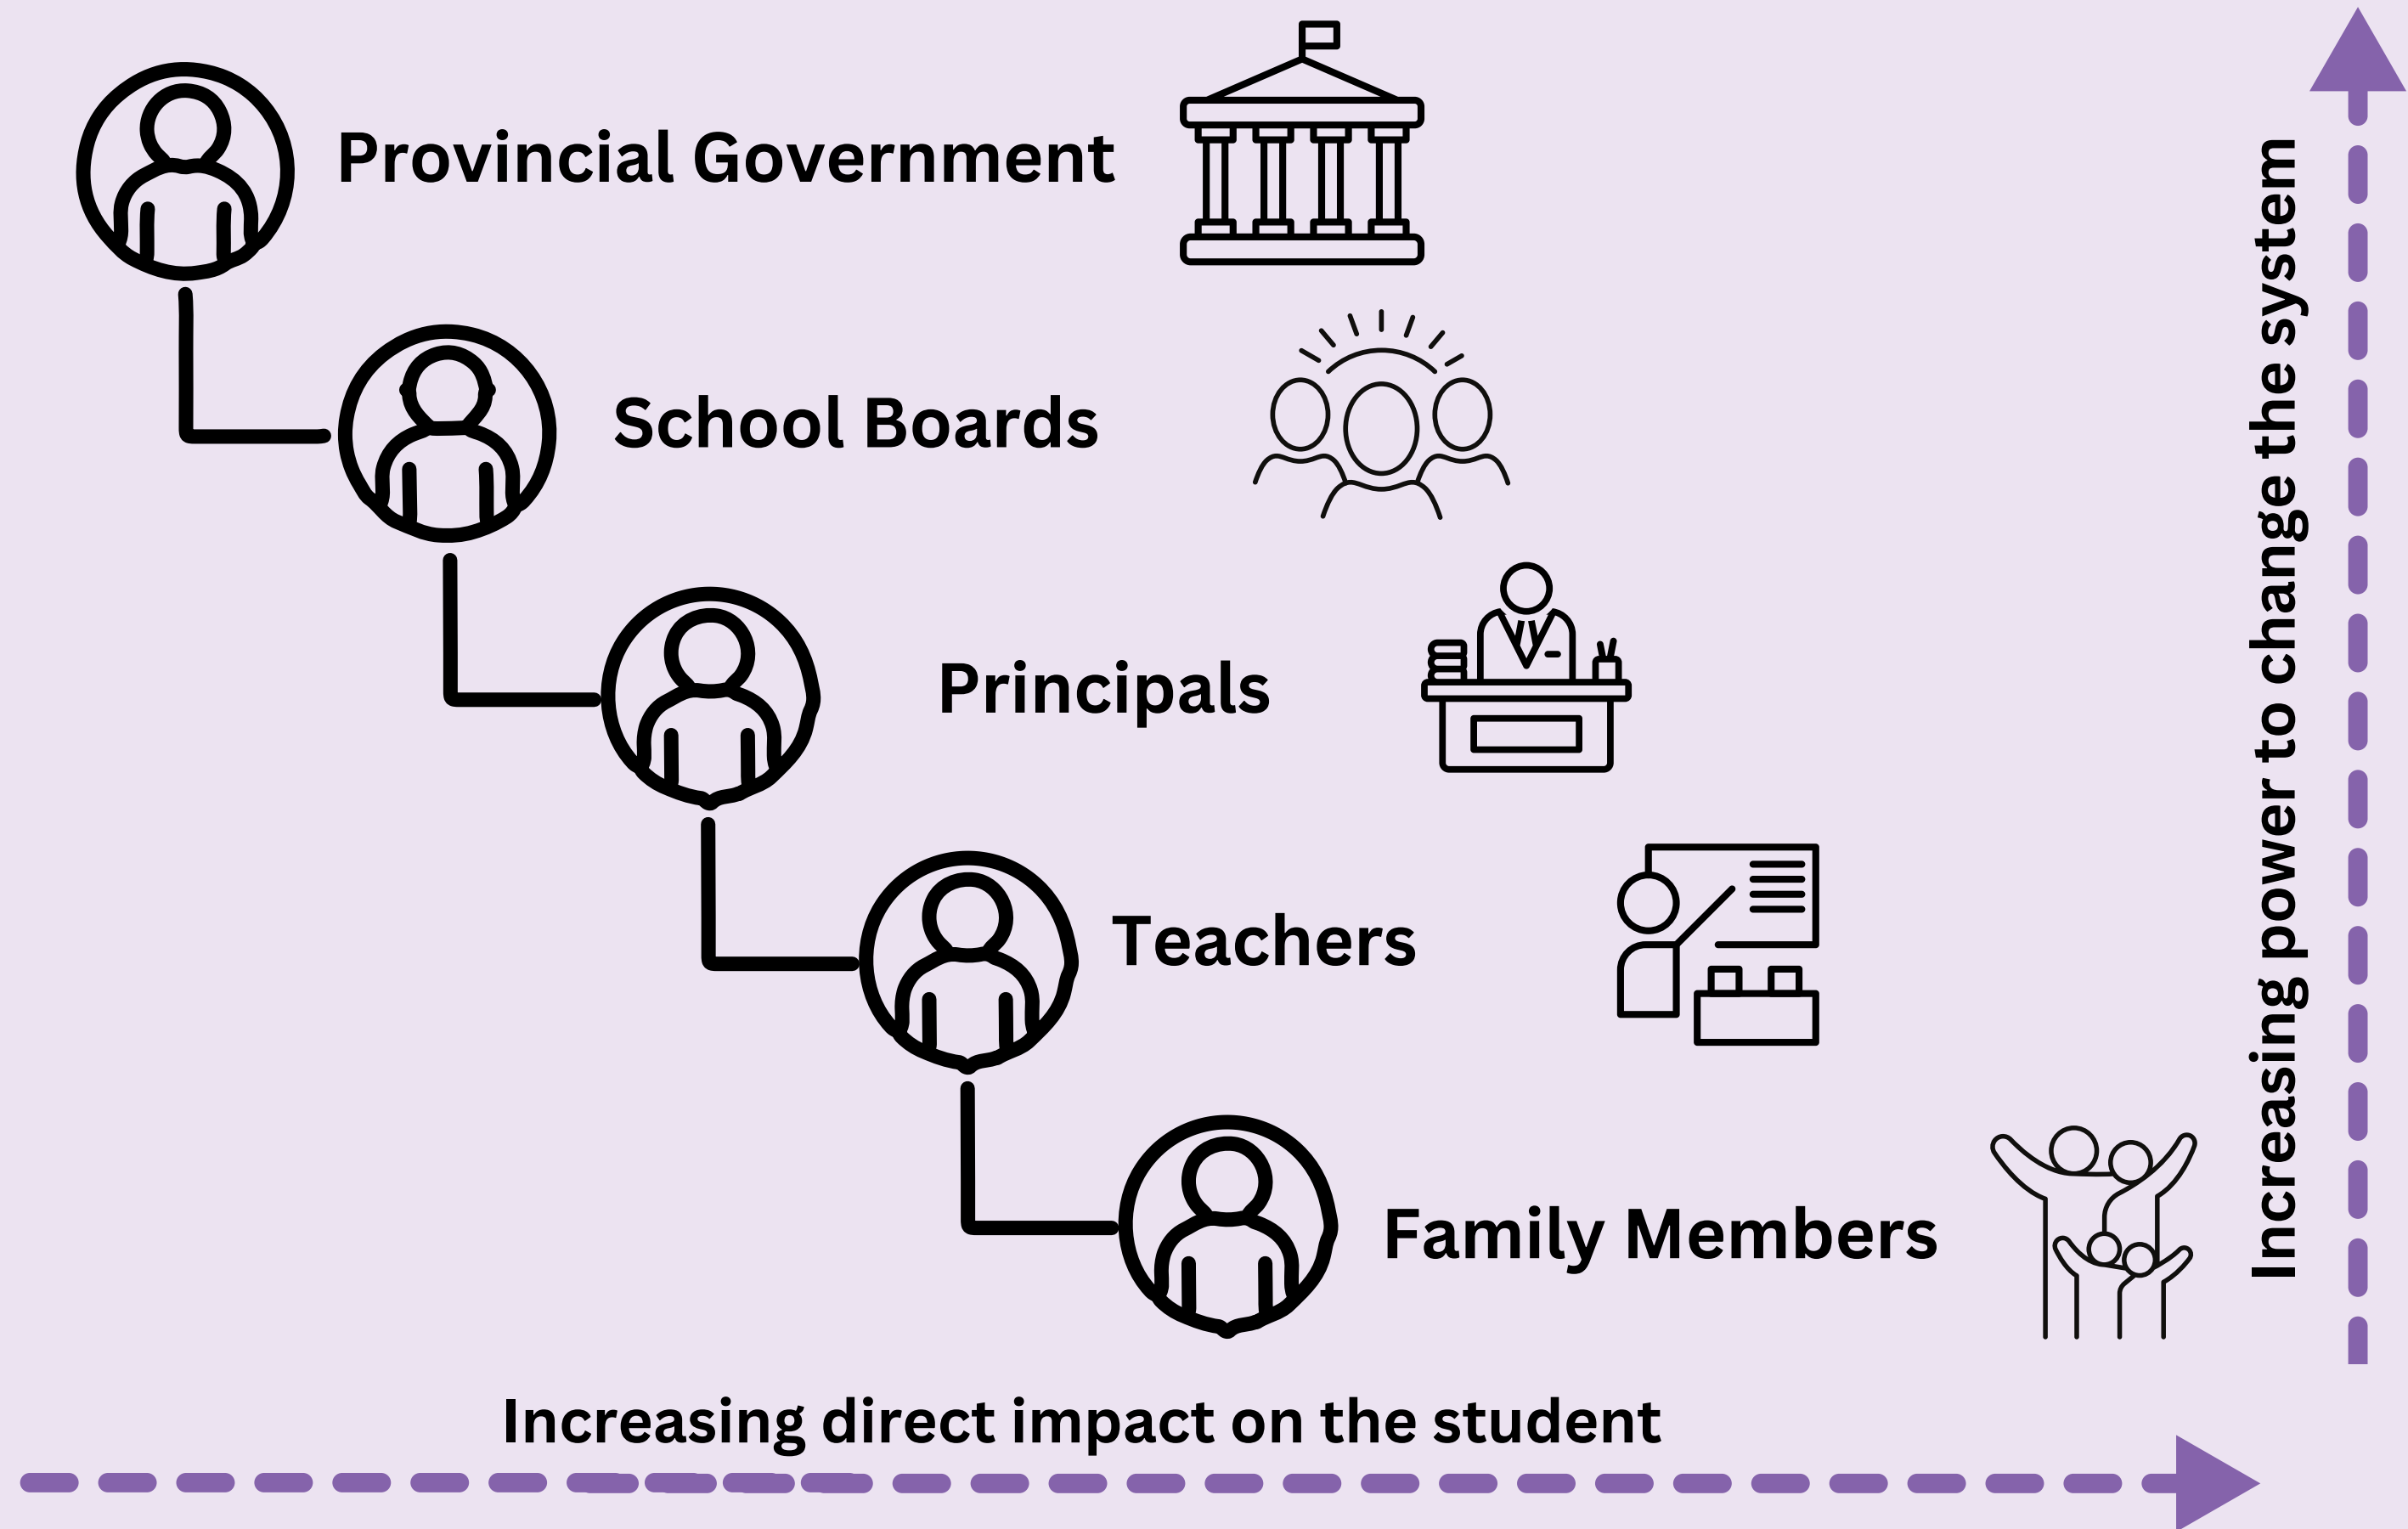

## Plan international

- Improves equality & rights for girls; enhances resource accessibility

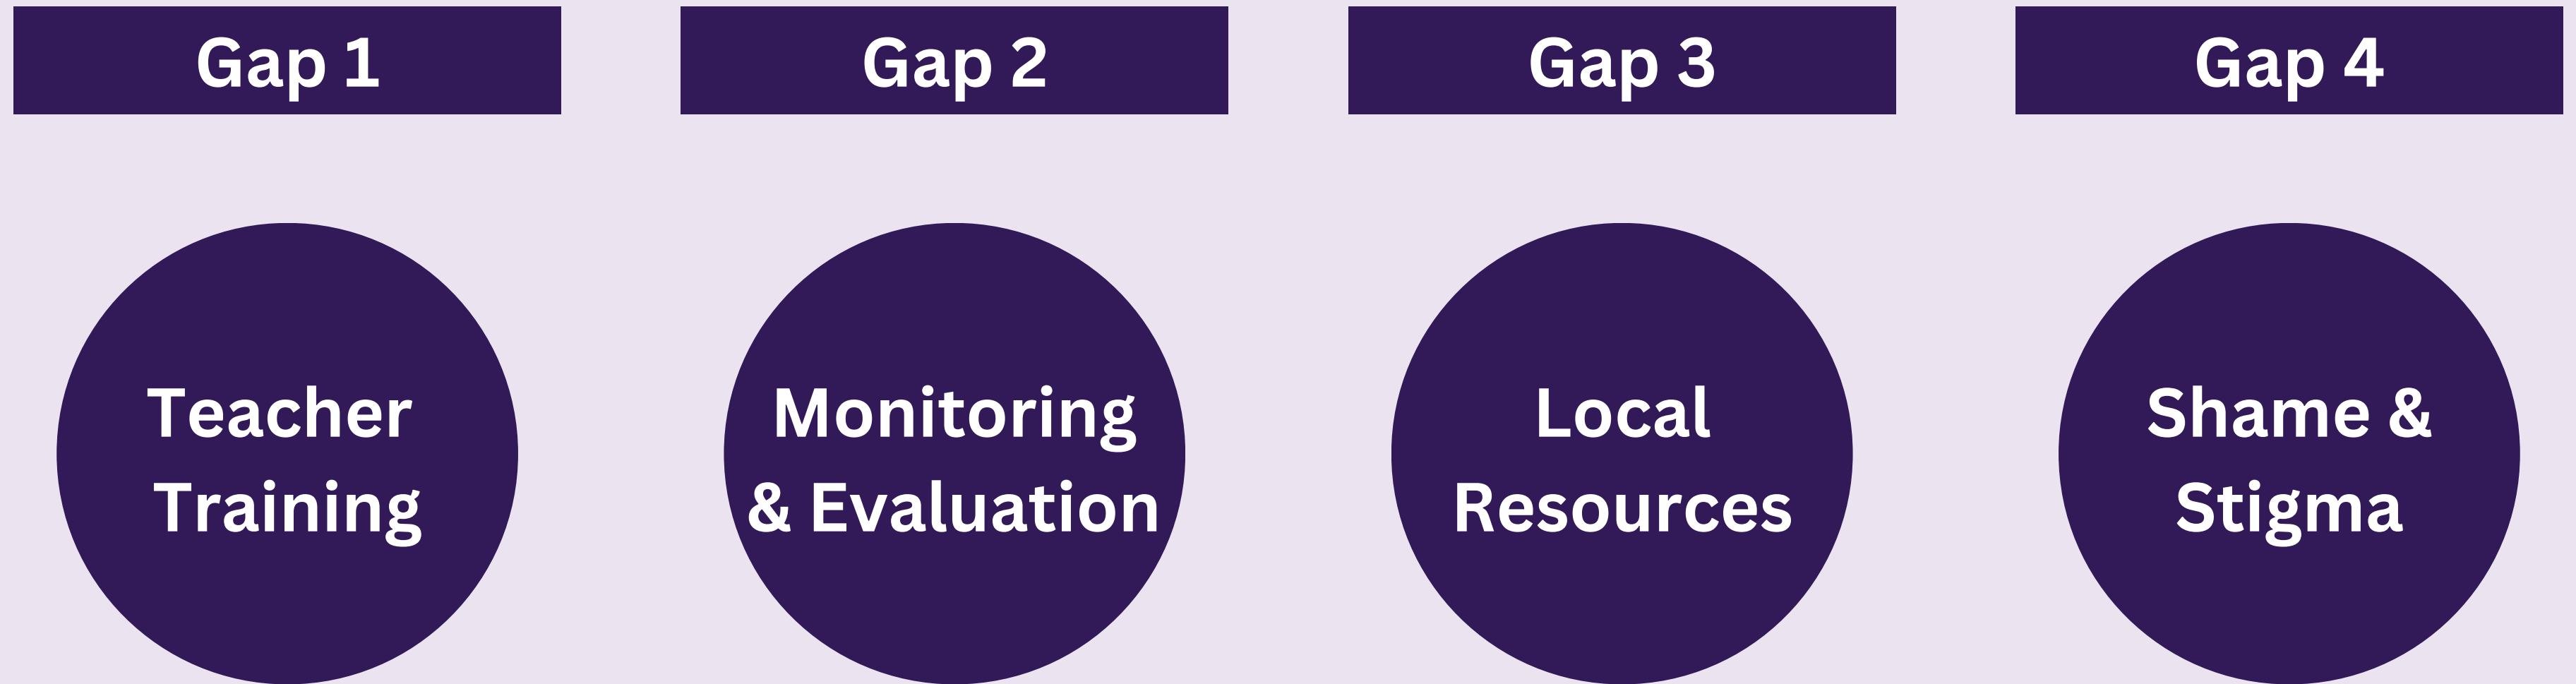

## UNFPA/UNESCO

- Advocates for and supports reproductive rights & services

# Who has the power to make change?

# Gaps & Levers of Change

# Gap & Lever of Change 1: Teacher Training

**Gap**

**Lever**

**Intervention**

**Teacher  
Training**

**Acknowledge  
levels of  
comfort and  
need for  
training**

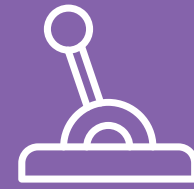

**Fund a  
standardized  
training  
program**

# Gap & Lever of Change 2: Monitoring & Evaluation

**Gap**

**Lever**

**Intervention**

**No monitoring  
or evaluation**

**Need to  
monitor and  
track delivery**

**Implement  
monitoring &  
evaluation  
standards**

# Gap & Lever of Change 3: Lack of Local Resources

**Gap**

**Lever**

**Intervention**

**Lack of local  
resources**

**Disparity in  
sexual health  
services**

**Increase  
accessibility**

# Gap & Lever of Change 4: Shame & Stigma

**Gap**

**Lever**

**Intervention**

**Shame  
&  
Stigma**

**Respect  
individual  
beliefs**

**Provide  
valuable  
resources**

# Key Insights & Takeaways

- **Delivery** of sex-ed is inadequate, **not** the **curriculum**
- System **intersects** with **social**, **governmental** and **education** sectors
- Interventions: **train** teachers, foster **inclusivity**, increase **access** to **resources**
- **Feedback loops** between shame and lack of knowledge must be **broken**

# Q&A
