

Creating an IRCC secure online account

Creating a secure online account with Immigration, Refugees and Citizenship Canada (IRCC) allows you to apply online for documents like study permits, work permits, and visitor visas.

This guide walks you through how to create an IRCC secure online account.

If you cannot access your previous account, you can create a new account.

Go to the IRCC “Sign in to your IRCC secure account” page at

www.canada.ca/en/immigration-refugees-citizenship/services/application/account.html.

Sign in to your IRCC secure account

Your account lets you start an application, submit and pay for your application, get messages related to your application, check the status of your application and update your information.

Terms and Conditions

By accessing your account, you are agreeing to abide by the following Terms and Conditions of Use:

- You agree to keep your identification number(s) confidential and to not share it (them) with anyone. If you suspect that others have obtained your identification number(s), contact us immediately by clicking on the "Report a problem or mistake on this page" button.
- You certify that any information provided by you is true, accurate and complete.
- You understand and accept that as a security measure for administrative reasons, we can revoke your access if you fail to abide by the Terms and Conditions of Use.
- You understand and accept that we are not responsible for any losses or damages incurred by anyone because of:
 1. The use of the information available in your account
 2. Any restrictions, delay, malfunction, or unavailability of your account
- You understand and accept that by using your account and applying online, we can communicate with you (or your representative, if applicable) via e-mail.
- To continue, choose "I Accept" to indicate your acceptance of these Terms and Conditions. If you do not agree with these Terms and Conditions, choose "I Do Not Accept". Note, you will not be able to access your account unless you accept the Terms and Conditions.

If you use another type of browser software you should check with your software supplier to make sure that your browser has 128-bit secure socket layer encryption capability. Note: We are not responsible for any difficulties in downloading and installing software. Software suppliers are responsible for providing technical support. It is important that you sign out and close your browser before leaving this computer unattended. This will prevent unauthorized access to your personal information.

After you have created your GCKey, you will be prompted to accept the "Terms and Conditions" again. Review the info and click "I Accept" to continue.
