DECLARATION OF NON-ARRIVAL TO CANADA

I hereby confirm that I am choosing to opt out of iMED because I will complete my program online while being physically outside Canada, having not been in or travelled to Canada at any time during my program of studies at UBC.

I confirm that I understand that iMED is exclusively for new-to-UBC international students and that if I decide to travel to Canada for another program of studies at UBC in the future, I will no longer be a new-to-UBC student and, as such, will not be eligible for iMED. **In this event, it will be my responsibility to purchase private health insurance to cover myself for medical care in Canada, either for the duration of my future UBC program or until I can be enrolled in the BC Medical Services Plan (BC MSP).**

Student's signature: _____ Date: _____ (mm/dd/yyyy)

Students completing two terms or more online while physically outside Canada will be assisted on a case-by-case basis.

This form must be submitted by [webform](#) to the UBC iMED Coordinator by the add/drop deadline (last day to drop courses without a W standing) as per the [UBC academic calendar](#).

Normal processing time is **2 to 8 weeks** once required documents are received. In periods of peak volume the processing time can be longer. If your opt-out request is approved, the iMED fees will be credited to your tuition account.
