Provincial Attestation Letter Exemption Explanation

Dear Officer,

I am applying for a study permit extension and would like to provide additional information to support my **exemption from a Provincial Attestation Letter (PAL)** in my application.

I am a current student at the University of British Columbia (UBC) and I am exempt from a PAL since I meet one of the exemptions on IRCC's Provincial attestation letter or territorial attestation letter website <https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/get-documents/provincial-attestation-letter.html>

Specifically, I have entered Canada and I am applying for a study permit extension at the same Designated Learning Institution (DLI) and level of study as my current study permit. Here are my details:

- **Name:** full name as it appears on your passport
- **UCI:** your UCI number [you can find this on your study permit]
- **Location at time of application:** inside Canada
- **Current status in Canada:** valid study permit holder - study permit expiring on date
- **DLI on November 7, 2024:** UBC - DLI #O19330231062
- **DLI in my study permit extension application:** UBC - DLI #O19330231062
- **Level of study on November 7, 2024:** undergraduate OR graduate (master's degree or doctoral degree) [only include one option – undergraduate level includes all programs except master's degree or doctoral degree]
- **Level of study in my current study permit extension application:** undergraduate OR graduate (master's degree or doctoral degree) [only include one option – undergraduate level includes all programs except master's degree or doctoral degree]

Enclosed are the following supporting documents:

1. Copy of my current, valid study permit
2. UBC Letter of Acceptance OR UBC Letter of Enrollment [only include one] from my previous study permit application
3. UBC Letter of Enrollment from my current study permit extension (uploaded to the document checklist)

Please let me know if you require any further information.

Sincerely,
